Departure of Director

On September 24, 2007, Joseph F. Lizzadro, a member of the Company's Board of Directors since 2000, informed the board that he will not stand for re-election at the next annual meeting of shareholders.

Executive Retirement Plan

On September 24, 2007, the Compensation Committee of the Company's Board of Directors (the "Committee") approved an amendment to the General Employment Enterprises, Inc. Executive Retirement Plan (the "Plan"). The amendment requires, in the event of a change in control of the Company, that the Plan be terminated and that all account balances be distributed to the Plan participants in single lump sum payments. The Committee determined that the amendment was necessary for the Plan to conform with the requirements of Internal Revenue Code Section 409A and the related regulations of the U.S. Treasury Department.

Employment Agreements

On September 24, 2007, the Committee approved amendments to the employment agreements between the Company and each of its executive officers - Herbert F. Imhoff, Jr. (Chairman of the Board, Chief Executive Officer and President), Kent M. Yauch (Vice President, Chief

Financial Officer and Treasurer) and Marilyn L. White (Vice President), which were first entered into in 2001. The amendments change the amount and form of payments to the executive officers under certain circumstances following a termination of employment. The Committee determined that the amendments were necessary for the employment agreements to conform with the requirements of Internal Revenue Code Section 409A and the related regulations of the U.S. Treasury Department, and to clarify the rights of the parties in the event that an executive officer's employment is terminated.

Stock Option Awards

On September 24, 2007, pursuant to the Company's 1999 Stock Option Plan, the Committee awarded options to purchase common stock of the Company to the executive officers named below. They are non-statutory stock options that become vested two years after the date of grant. The option exercise price was established as the closing market price on the American Stock Exchange on the date of grant, September 24, 2007, which was \$1.61 per share.
