PROXY STATEMENT
FOR THE 2009 ANNUAL MEETING OF SHAREHOLDERS

This statement and the accompanying proxy card, which are first being sent to shareholders on approximately January 16, 2009, are being furnished in connection with a solicitation of proxies by the Board of Directors of General Employment Enterprises, Inc. (the "Company"), an Illinois corporation, to be voted at the Annual Meeting of Shareholders to be held on Monday, February 23, 2009, at 9:00 a.m., local time, in the Conference Center of the Oakbrook Terrace Tower, First Floor, One Tower Lane, Oakbrook Terrace, Illinois 60181.

VOTING RIGHTS AND SOLICITATION

The voting securities of the Company entitled to be voted at the Annual Meeting are the shares of Common Stock, of which there were 5,165,265 outstanding on December 30, 2008, the record date for the Annual Meeting. Shareholders are entitled to one vote for each share held except that, in elections for directors, each shareholder has cumulative voting rights. When voting cumulatively, each shareholder has the number of votes equal to the number of directors to be elected (six) multiplied by the number of his or her shares. Such number of votes may be divided equally among all nominees, may be cumulated for one nominee, or may be distributed on any basis among as many nominees as is desired.

Each proxy that is properly signed and received before the Annual Meeting will, unless such proxy has been revoked, be voted in accordance with the instructions on such proxy. **If no instruction is indicated on the proxy card, the shares will be voted for election of the six nominees for director listed in this proxy statement.** The persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors is not withheld) will have full discretion and authority to vote cumulatively and to allocate votes among any or all of the listed nominees for director as they may determine or, if authority to vote for a specified candidate or candidates has been withheld, among those nominees for whom authority to vote has not been withheld. In any case, and notwithstanding the foregoing, the proxies may be voted for less than the entire number of nominees if any situation arises which, in the opinion of the proxy holders, makes such action necessary or desirable.

Quorum and Vote Required

A quorum of shareholders is necessary to take action at the Annual Meeting. A majority of the total outstanding shares of Common Stock of the Company, represented in person or by proxy, will constitute a quorum for purposes of the meeting. Abstentions or broker non-votes will be treated as shares of Common Stock that are present for purposes of determining the presence of a quorum. "Broker non-votes" refers to a broker or other nominee not voting on a proposal because the broker or other nominee does not have discretionary voting power regarding that item and has not received instructions from the beneficial owner.

Directors are elected by the affirmative vote of a majority of the shares represented at the meeting, in person or by proxy, and entitled to vote. Withheld votes will have the effect of votes against the directors. Broker non-votes will not affect the outcome of the vote.

Voting Procedure, Revoking Proxies

Shareholders whose shares are registered in their own names may vote by mailing a completed proxy card as an alternative to voting in person at the Annual Meeting. To vote by mailing a proxy card, shareholders should sign and return the enclosed proxy card in the enclosed prepaid and addressed envelope.

If shares are registered in the name of a bank or brokerage firm (record holder), shareholders will receive instructions from their record holder that must be followed in order for the record holder to vote the shares in accordance with the shareholder's instructions. If shares are held through a bank or brokerage firm and the shareholder wishes to be able to vote in person at the Annual Meeting, the shareholder must obtain a legal proxy from the brokerage firm, bank or other holder of record and present it to the inspector of election with the shareholder's ballot.

Registered shareholders may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date or by delivering written notice of revocation of their proxy to the Secretary of the Company at its principal executive offices before the beginning of the Annual Meeting. Shareholders may also revoke their proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If shares are held through a bank or brokerage firm, shareholders must contact that bank or brokerage firm to revoke any prior voting instructions. Shareholders may also vote in person at the Annual Meeting if a legal proxy is obtained, as described in the preceding paragraph.

Manner and Costs of Solicitation

The cost of preparing, assembling and mailing the proxy materials and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket expenses of transmitting copies of the proxy materials to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company intends to solicit proxies by the use of mail, but certain officers and regular employees of the Company or its subsidiary, without additional compensation, may use their personal efforts by telephone or otherwise, to obtain proxies. The Company also reserves the right to retain and compensate a professional solicitor to assist in the solicitation of proxies.

ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting, to serve until the 2010 Annual Meeting of Shareholders, or until their successors are elected and qualified. Proxies will be voted, unless otherwise indicated, for the election of the nominees named below. The persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors is not withheld) will have full discretion and authority to vote cumulatively and to allocate votes among any or all of the listed nominees for director as they may determine or, if authority to vote for a specified candidate or candidates has been withheld, among those nominees for whom authority to vote has not been withheld. In any case, and notwithstanding the foregoing, the proxies may be voted for less than the entire number of nominees if any situation arises which, in the opinion of the proxy holders, makes such action necessary or desirable.

Compliance with Section 16(a) of the Exchange Act

Directors and officers of the Company are required to report to the Securities and Exchange Commission, by a specified date, their transactions related to General Employment Enterprises, Inc. Common Stock. Based solely on a review of the copies of these reports furnished to the Company and written representation that no other reports were required, the Company believes that during the 2008 fiscal year, all filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors has determined that each director and each nominee for director, other than Mr. Imhoff, Jr. and Mr. Yauch, is an independent director under the listing standards of the NYSE Alternext US stock exchange. In addition, the Board of Directors has determined that each current member of the Audit Committee meets the additional independence criteria required for audit committee membership under the listing standards of the NYSE Alternext US stock exchange and Rule 10A-3 of the Securities Exchange Act of 1934.

Mr. Kosnik is the President of VISUS, Inc. The Company entered into an agreement in December 2008, whereby VISUS, Inc. will provide advisory services to the Company on a month-to-month basis at the rate of \$8,000 per month. The agreement was approved in advance by the Company's Board of Directors.

Board and Committee Meetings

The Board of Directors meets on a regularly scheduled basis to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings when an important matter requires Board action between scheduled meetings. The Board held seven meetings during the last fiscal year. No director of the Company attended fewer than 75% of the total meetings of the Board and Committee meetings on which such Board members served during this period.

The members of the Board of Directors are expected to attend the Company's Annual Meeting of Shareholders. All of the current directors were present at the prior year's Annual Meeting, which was held on February 25, 2008.

There are three standing committees of the Board of Directors, which are the Nominating Committee, the Audit Committee and the Compensation Committee.

Nominating Committee

The Nominating Committee is presently composed of four non-employee directors: Andrew Dailey (Chairman), Dennis W. Baker, Sheldon Brottman, and Delain G. Danehey. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which was attached as an appendix to the proxy statement prepared in connection with the February 25, 2008 Annual Meeting of Shareholders.

The functions of the Nominating Committee are to assist the Board of Directors in identifying, interviewing and recommending to the Board of Directors qualified candidates to fill positions on the board. The Nominating Committee met once during fiscal 2008.

In evaluating candidates to serve on the Company's Board of Directors, consideration is given to the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the committee, have significant decision-making responsibility, with business, legal or academic experience. The Nominating Committee will consider recommendations for board candidates that are received from various sources, including directors and officers of the Company, other business associates and shareholders, and all candidates will be considered on an equal basis, regardless of source.

Shareholders may contact the Nominating Committee to make such recommendations by writing in care of the Secretary of the Company, at One Tower Lane, Suite 2200, Oakbrook Terrace, Illinois 60181. Submissions must include: (a) a statement that the writer is a shareholder and is proposing a candidate for consideration by the Nominating Committee; (b) the name, address and number of shares beneficially owned by the shareholder; (c) the name, address and contact information of the candidate being recommended; (d) a description of the qualifications and business experience of the candidate; (e) a statement detailing any relationships between the candidate and the Company and any relationships or understandings between the candidate and the proposing shareholder; and (f) the written consent of the candidate that the candidate is willing to serve as a director if nominated and elected.

In connection with director nominees for the 2009 Annual Meeting, Mr. Hunter was recommended to the Nominating Committee by a shareholder, and Mr. Kosnik was recommended to the Nominating Committee by a non-management director.

Audit Committee

The Audit Committee is presently composed of four non-employee directors: Dennis W. Baker (Chairman), Sheldon Brottman, Andrew Dailey and Delain G. Danehey. The Board of Directors has determined that Messrs. Dailey, Danehey and Baker are each an "audit committee financial expert" as defined by rules of the Securities and Exchange Commission. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as an appendix to this proxy statement.

The Audit Committee is primarily concerned with the effectiveness of the Company's accounting policies and practices, its financial reporting and its internal accounting controls. In addition, the Audit Committee reviews and approves the scope of the annual audit of the Company's books, reviews the findings and recommendations of the independent registered public accounting firm at the completion of their audit, and approves annual audit fees and the selection of an auditing firm. The Audit Committee met four times during fiscal 2008. In addition, the Chairman of the Audit Committee participated in three quarterly meetings in fiscal 2008, to review earnings press releases and the Company's filings on Form 10-QSB with members of management and the Company's independent registered public accounting firm.

Compensation Committee

The Compensation Committee is presently composed of four non-employee directors: Sheldon Brottman (Chairman), Dennis W. Baker, Andrew Dailey, and Delain G. Danehey. The Board of Directors has adopted a written charter for the Compensation Committee, a copy of which was attached as an appendix to the proxy statement prepared in connection with the February 25, 2008 Annual Meeting of Shareholders. The Compensation Committee has the sole responsibility for approving and evaluating the officer compensation plans, policies and programs. It may not delegate this authority. It meets as often as necessary to carry out its responsibilities. The committee has the authority to retain compensation consultants, but has not done so. The Compensation Committee met two times during fiscal 2008.

In the past, the committee has met each September to consider the compensation of the Company's executive officers, including the establishment of base salaries and performance targets for the succeeding year, and the consideration of stock option awards. Management provides the committee with such information as may be requested by the committee, which in the past has included historical compensation information of the executive officers, tally sheets, internal pay equity statistics, and market survey data. Under the guidelines of the NYSE Alternext US stock exchange, the chief executive officer may not be present during the committee's deliberations regarding his compensation. If requested by the committee, the chief executive officer may provide recommendations regarding the compensation of the other officers.

The Compensation Committee also has the responsibility to make recommendations to the Board of Directors regarding the compensation of directors.

Shareholder Communications

The Board of Directors has established a procedure by which shareholders of the Company can communicate with the Board of Directors. Shareholders interested in communicating with the Board as a group or with individual directors may do so, in writing. Correspondence to the directors should be sent by regular mail c/o the Secretary, General Employment Enterprises, Inc., One Tower Lane, Suite 2200, Oakbrook Terrace, Illinois 60181. Any such correspondence will be reviewed by the Secretary, who will then forward it to the appropriate parties. Communications that are solicitations or deemed to be irrelevant to the Board's responsibilities may be discarded, at the discretion of the Secretary.

Nominations for Directors

The By-Laws of the Company establish procedures for the nomination of candidates for election to the Board of Directors. The By-Laws provide that the nominations may be made by the Board of Directors or by a committee appointed by the Board of Directors. Any shareholder entitled to vote in the election of directors generally may make nominations for the election of directors to be held at an Annual Meeting of Shareholders, provided that such shareholder has given actual written notice of his intent to make such nomination or nominations to the Secretary of the Company not less than ninety days nor more than one hundred twenty days prior to the anniversary date of the immediately preceding Annual Meeting of Shareholders. Each such notice must set forth (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings involving any two or more of the shareholders, each such nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder or relating to the Company or its securities or to such nominee's service as a director if elected; (d) such other information regarding such nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (e) the consent of each nominee to serve as a director of the Company, if so elected.

These individuals are referred to throughout this proxy statement as the "named executive officers."

Employment Agreement

The Company has an employment agreement with Mr. Imhoff, Jr. to serve as Chairman of the Board, Chief Executive Officer and President. It provides for a continuous three-year term of employment, at a minimum annual base salary of \$450,000. Under the terms of the agreement, Mr. Imhoff, Jr. is also eligible to earn an annual performance bonus and is entitled to receive certain prerequisites and benefits.

Option Awards

The option awards column represents the amount of compensation expense recognized during the fiscal year under FASB Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment," with respect to options granted in fiscal 2007 and prior years (none granted in 2008). Compensation expense is measured as the fair value of the stock options on the date of grant and is amortized over the vesting periods. The methods and assumptions used to determine the fair value of stock options granted are disclosed in "Stock Option Plans" in the notes to consolidated financial statements in the Company's Annual Report for fiscal 2008 accompanying this proxy statement.

All stock options awarded to the named executive officers during fiscal 2007 were at option prices that were equal to the market price on the date of grant, had vesting dates two years after the date of grant, and had expiration dates ten years after the date of grant.

Non-Equity Incentive Plan Compensation

The Company has two incentive compensation plans designed to provide annual performance-based incentives to certain named executive officers. The non-equity incentive plan compensation column represents cash awards earned by the named executive officers for performance during the fiscal year under the Chief Executive Officer Bonus Plan and the Operational Vice President Bonus Plan.

During fiscal 2008 and 2007, Mr. Imhoff, Jr. participated in the Company's Chief Executive Officer Bonus Plan. Under the plan, the executive is eligible to receive an annual cash bonus equal to a percentage of his base salary in effect during the year. The percentage is determined by reference to a combination of two factors: (1) the Company's consolidated income before income taxes for the fiscal year, to the extent that it exceeds an annual threshold amount, and (2) the amount of improvement in such income compared with the preceding fiscal year. The annual threshold amount is determined by the Compensation Committee prior to the beginning of each fiscal year. The cash bonus is required to be paid to the executive within 2.5 months of the close of the Company's fiscal year.

During fiscal 2008 and 2007, Ms. White participated in the Company's Operational Vice President Bonus Plan. Under the plan, the executive is eligible to receive an annual cash bonus equal to a percentage of her base salary in effect during the year. The percentage is determined by reference to a combination of two factors: (1) the income before income taxes of the operating divisions supervised by the executive for the fiscal year, to the extent that it exceeds an annual threshold amount, and (2) the amount of improvement in such income compared with the preceding fiscal year. The annual threshold amount is determined by the Compensation Committee prior to the beginning of each fiscal year. The cash bonus is required to be paid to the executive within 2.5 months of the close of the Company's fiscal year.

All Other Compensation

The all other compensation column includes contributions to the Executive Retirement Plan. During fiscal 2008, the Company contributed the following amounts: \$45,000 for Mr. Imhoff, Jr.; \$20,000 for Ms. White; and \$19,000 for Mr. Yauch. During fiscal 2007, the Company contributed the following amounts: \$45,000 for Mr. Imhoff, Jr.; \$19,000 for Ms. White; and \$18,000 for Mr. Yauch

Retirement Benefits

The Company does not maintain a tax-qualified defined benefit retirement plan for any of its executive officers or employees. The Company has a 401(k) retirement plan in which all full-time employees may participate after one year of service. In addition, the Company has an Executive Retirement Plan, which is a nonqualified deferred compensation plan in which all of the named executive officers participate. It is designed to comply with section 409A of the Internal Revenue Code. Under the plan, the Company contributes a percentage of each participant's earnings to a rabbi trust under a defined contribution arrangement. The participants direct the investments of the trust, and the Company does not guarantee investment performance. Distributions are payable in accordance with elections made in advance by participants, and may generally occur upon the participant's separation from service or upon specified distribution dates. Under the terms of the plan, participant account balances are also payable in the event of a change in control of the Company.

Potential Payments upon Termination of Employment or Change in Control

Under the terms of the employment agreement with Mr. Imhoff, Jr., in the event the Company would terminate his employment for any reason other than for "cause," the executive would be entitled to receive outplacement assistance; a lump sum cash payment equal to the sum of his base salary and average annual performance bonus that would have been payable for the remainder of the term of the employment agreement; a severance bonus based on a fraction of his average annual performance bonus; and continuation of certain perquisites and fringe benefits for the remainder of the term of the employment agreement. In the event that any payment, benefit or distribution under the terms of his agreement is determined to be an "excess parachute payment" pursuant to section 280G of the Internal Revenue Code, with the effect that he would become liable for the payment of an excise tax, Mr. Imhoff, Jr. would be entitled to receive an additional gross-up payment.

The Company has individual employment agreements with Ms. White and Mr. Yauch. Each executive's agreement contains a covenant not to compete that extends for two years following their termination of employment with the Company. In the event of a change in control of the Company, if the executive's employment were to be terminated by the Company for any reason other than "cause," the executive would be entitled to receive a lump sum cash payment equal to two times the executive's base salary and average annual bonus; accelerated vesting of all previous cash or stock awards; a severance bonus based on a fraction of his average annual bonus; and continuation of certain fringe benefits for a period of two years.

Compensation of Directors

Under the Company's standard compensation arrangements that were in effect during fiscal 2008, each non-employee director received a monthly retainer of \$2,000, and the chairman of the Audit Committee received an additional monthly retainer of \$500. Directors did not receive any additional compensation for attendance at meetings of the board or its committees. Employees of the Company did not receive any additional compensation for service on the Board of Directors.

The following table sets forth information concerning the compensation paid to each of the non-employee directors during fiscal 2008:

Director Compensation

Name	Fees Earned or Paid in Cash (\$)	Option Awards* (\$)	Total (\$)
Dennis W. Baker	27,500	7,950	35,450
Sheldon Brottman	24,000	7,950	31,950
Andrew Dailey	24,000	7,950	31,950
Delain G. Danehey	26,500	7,950	34,450
Joseph F. Lizzadro (1)	10,000	7,950	17,950

*The aggregate number of outstanding option awards at the end of fiscal 2008 were as follows for each of the non-employee directors: Mr. Baker – 15,000; Mr. Brottman – 40,731; Mr. Dailey – 15,000; Mr. Danehey – 28,731; Mr. Lizzadro – 15,000.

Option Awards

The option awards column represents the amount of compensation expense recognized during the fiscal year under FASB Statement of Financial Accounting Standards No. 123 (revised 2004), “Share-Based Payment,” with respect to options granted in fiscal 2007 and prior years (none granted in fiscal 2008). Compensation expense is measured as the fair value of the stock options on the date of grant and is amortized over the vesting periods. The methods and assumptions used to determine the fair value of stock options granted are disclosed in “Stock Option Plans” in the notes to consolidated financial statements in the Company’s Annual Report for fiscal 2008 accompanying this proxy statement.

All stock options awarded to the non-employee directors during fiscal 2007 were at option prices that were equal to the market price on the date of grant, had vesting dates two years after the date of grant, and had expiration dates ten years after the date of grant.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board of Directors. The Company’s management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the audited consolidated financial statements in the Annual Report with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company’s accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61, *Communication With Audit Committees* (as amended), other standards of the Public Company Accounting Oversight Board (United States), rules of the Securities and Exchange Commission, and other applicable regulations. In addition, the Committee has discussed with the independent registered public accounting firm the firm’s independence from Company management and the Company, including the matters in the letter from the firm required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit*

Committees, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations; their evaluations of the Company's internal control; and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Annual Report on Form 10-KSB for the year ended September 30, 2008, filed by the Company with the Securities and Exchange Commission. The Committee selected the Company's independent registered public accounting firm for the year ending September 30, 2009.

The Committee is governed by a charter. The Committee held four meetings during fiscal year 2008. The Committee is comprised solely of independent directors as defined by the NYSE Alternext US stock exchange listing standards and Rule 10A-3 of the Securities Exchange Act of 1934.

APPENDIX A

GENERAL EMPLOYMENT ENTERPRISES, INC.

AUDIT COMMITTEE CHARTER

November 19, 2007

Organization

This charter governs the operations of the Audit Committee. The Board of Directors (the "Board") shall appoint an Audit Committee (the "Committee") of at least three members, consisting entirely of independent directors of the Board, and shall designate one member as chairperson, or delegate the authority to designate a chairperson to the Committee. For purposes hereof, members shall be considered independent as long as they satisfy all of the independence requirements for board members as set forth in the American Stock Exchange listing standards and Rule 10A-3 of the Securities Exchange Act of 1934.

Each member of the Committee shall be financially literate, or become financially literate within a reasonable period of time, and at least one member shall be an "audit committee financial expert," as defined by rules of the Securities and Exchange Commission (the "SEC").

Members shall not serve on more than three public company audit committees simultaneously.

The Committee shall meet at least quarterly. The Committee shall meet separately and periodically with management and the independent registered public accountants. The Committee shall report regularly to the Board with respect to its activities.

Purpose

The purpose of the Committee shall be to:

- Provide assistance to the Board in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to: (i) the integrity of the Company's financial statements; (ii) the effectiveness of the Company's internal control over financial reporting; (iii) the Company's compliance with legal and regulatory requirements; (iv) the independent registered public accounting firm's qualifications and independence; (v) and the performance of the Company's independent registered public accountants.
- Prepare the Audit Committee report that SEC rules require to be included in the Company's annual proxy statement.

In fulfilling its purpose, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent registered public accountants, and management of the Company, and to determine that all parties are aware of their responsibilities.

Duties and Responsibilities

The Committee has the responsibilities and powers set forth in this Charter. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, for the appropriateness of the accounting principles and reporting policies that are used by the Company and for establishing and maintaining internal control over financial reporting. The independent registered public accountants are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee will take appropriate actions to monitor the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal duties and responsibilities of the Committee. These are set forth as a guide with the understanding that the Committee may supplement them as appropriate.

1. The Committee shall be directly responsible for the appointment, compensation, retention, and oversight of the work of the independent registered public accountants (including resolution of disagreements between management and the auditor regarding financial reporting and internal control-related matters) for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company, and the independent registered public accountants must report directly to the Committee.
2. At least annually, the Committee shall obtain and review a report by the independent registered public accountants describing: (i) the firm's internal quality control procedures; (ii) any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (iii) all relationships between the independent registered public accountants and the Company (to assess the auditors' independence).
3. After reviewing the foregoing report and the independent registered public accountants' work throughout the year, the Committee shall evaluate the auditors' qualifications, performance and independence. Such evaluation should include the review and evaluation of the lead audit partner and take into account the opinions of management.
4. The Committee shall determine that the independent registered public accounting firm has a process in place to address the rotation of the lead audit partner and other audit partners serving the account as required under the SEC independence rules.
5. The Committee shall pre-approve all audit and non-audit services provided by the independent registered public accountants, including specific pre-approval of internal control-related services, and shall receive certain disclosure, documentation, and discussion of non-prohibited tax services by the independent registered public accountant. The Committee shall not engage the independent registered public accountants to perform non-audit services proscribed by law or regulation. The Committee may delegate pre-approval authority to a member of the Audit Committee. The decisions of any Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.
6. The Committee shall discuss with the independent registered public accountants the overall scope and plans for their audits, including the adequacy of staffing and budget or compensation.
7. The Committee shall regularly review with the independent registered public accountants any audit problems or difficulties encountered during the course of the audit work, including any restrictions on the scope of the independent registered public accountants' activities or access to requested information, and management's response. The Committee should review any accounting adjustments that were noted or proposed by the auditors but were "passed" (as immaterial or otherwise); any significant consultations between the audit team and the audit firm's national office on matters that are required to be disclosed to the Committee; and any "management" or "internal control" letter issued, or proposed to be issued, by the audit firm to the Company.
8. The Committee shall meet to review and discuss the quarterly financial statements with management and the independent registered public accountants prior to the release of earnings to the public and prior to the filing of the Company's Quarterly Report on Form 10-QSB. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent registered public accountants under the standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB"). The chairperson of the Committee may represent the entire Committee for the purposes of these reviews.
9. The Committee shall meet to review and discuss the annual audited financial statements, including Management's Discussion and Analysis of Financial Condition and Results of Operations, with management

and the independent registered public accountants prior to the release of earnings to the public and prior to the filing of the Company's Annual Report on Form 10-KSB (or the annual report to shareholders if distributed prior to the filing of Form 10-KSB). Also, the Committee shall discuss the results of the annual audit and any matters required to be communicated to the Committee by the independent registered public accountants under the standards of the PCAOB.

10. The Committee's review of the financial statements shall include: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and significant matters regarding internal control over financial reporting that have come to the attention of the independent registered public accountants during the conduct of their audits; (ii) discussions with management and the independent registered public accountants regarding significant financial reporting issues and judgments made in connection with the preparation of the financial statements and the reasonableness of those judgments, including consideration of the effects of alternative GAAP methods on the financial statements; (iii) consideration of the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements; (iv) consideration of the judgment of both management and the independent registered public accountants about the quality, not just the acceptability of accounting principles; and (v) the clarity of the disclosures in the financial statements.
11. The Committee shall receive and review a report from the independent registered public accountants, prior to the filing of the Company's Annual Report on Form 10-KSB (or the annual report to shareholders if distributed prior to the filing of Form 10-KSB), on all critical accounting policies and practices of the Company; all material alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent registered public accountants; and other material written communications between the independent registered public accountants and management.
12. The Committee shall review and approve all related party transactions required to be disclosed pursuant to SEC Regulation S-B, Item 404, and discuss with management the business rationale for the transactions and whether appropriate disclosures have been made.
13. The Committee shall review management's report on its assessment of the effectiveness of internal control over financial reporting as of the end of each fiscal year and the independent registered public accountants' report on the effectiveness of internal control over financial reporting.
14. The Committee shall discuss with management and the independent registered public accountants management's process for assessing the effectiveness of internal control over financial reporting under Section 404 of the Sarbanes-Oxley Act.
15. The Committee shall discuss with the independent registered public accountants the characterization of deficiencies in internal control over financial reporting and any differences between management's assessment of the deficiencies and the independent registered public accountants'. The Committee shall also discuss with management its remediation plan to address internal control deficiencies. The Committee shall determine that the disclosures describing any identified material weaknesses and management's remediation plans are clear and complete.
16. The Committee shall discuss with management its process for performing its required quarterly certifications under Section 302 of the Sarbanes-Oxley Act.
17. The Committee shall discuss with management and the independent registered public accountants any (i) changes in internal control over financial reporting that have materially affected or are reasonably likely to materially affect the Company's internal control over financial reporting that are required to be disclosed and (ii) any other changes in internal control over financial reporting that were considered for disclosure in the Company's periodic filings with the SEC.
18. The Committee shall review with management the Company's overall internal control programs.

19. The Committee shall review the Company's compliance and ethics programs, including consideration of legal and regulatory requirements, and shall review with management its periodic evaluation of the effectiveness of such programs. The Committee shall review the Company's code of conduct and programs that management has established to monitor compliance with such code. The Committee shall receive any corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty by the Company.
20. The Committee shall discuss the Company's policies with respect to risk assessment and risk management, including the risk of fraud. The Committee shall also discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.
21. The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
22. The Committee shall set clear hiring policies for employees or former employees of the independent registered public accountants that meet the SEC regulations and stock exchange listing standards.
23. The Committee shall retain such outside legal, accounting, or other advisers as it considers necessary in discharging its oversight role.
