ISSUANCE OF UP TO 5,100,000 SHARES OF COMMON STOCK

On September 9, 2014, the Company entered into a Membership Interest Purchase Agreement (the "Agreement") with Pivot Companies, LLC, et al ("Pivot"), d/b/a Pivot Employment Platforms, a company built to support entrepreneurs with their non-core functions. Pursuant to the terms of the Agreement the Company will acquire 100% of the membership interests of Pivot, for a total purchase price, based on the current market price of the Company's Common Stock, of approximately \$2.5 million. Upon the closing of the transaction, in exchange for 100 percent of the membership interest of Pivot, the Company will make a \$125,000 cash payment, issue 3,000,000 shares of Company Common Stock and issue warrants to purchase up to 3,000,000 shares of Company Common Stock at an exercise price of \$0.20 per share, to the members of Pivot. On the six month anniversary of the closing, the Company will make a second \$125,000 cash payment to the members of Pivot. Additional earn out payments of cash and Common Stock will be made on the first and second year anniversaries of the closing if Pivot achieves certain financial thresholds.

Pivot has made certain additional customary covenants, including, among others, to conduct its business in the ordinary course between the execution of the Agreement and the closing of the acquisition and not to engage in certain kinds of transactions during that period, subject to certain exceptions. We have agreed not to take certain specified actions without Pivot's consent during the time between execution of the Agreement and the closing of the Acquisition. Consummation of the Pivot acquisition is subject to various conditions, including, among others, (1) the accuracy of representations and warranties of the parties as of the closing date, including the absence of any material adverse effect with respect to each of Pivot's business and our business, (2) the release of certain liens in connection with the repayment of Pivot's indebtedness, (3) the execution of certain ancillary documents and (4) other customary closing conditions. The Agreement may be terminated under customary circumstances.

This summary of the material terms of the Agreement is qualified in its entirety by reference to the Agreement, which is attached as Annex B to this Information Statement.

The Company's Common Stock is listed and traded on the NYSE MKT under the symbol "JOB." Prior to the actual issuance of certificates representing 5,100,000 shares of Common Stock and a warrant to purchase up to 3,000,000 shares of Common Stock, the issuances must be approved by the shareholders in accordance with Sections 705 and 712 of the NYSE MKT Company Guide in order for the NYSE MKT to approve the application to list additional shares to be issued. Section 712 of the NYSE MKT Company Guide requires shareholder approval as a prerequisite to approval of applications to list additional shares to be issued when the present or potential issuance of Common Stock (or securities convertible into Common Stock) could result in an increase in outstanding common shares of 20% or more. The Company currently has outstanding 28,899,675 shares of Common Stock and the issuance of 5,100,000 and warrants to purchase up to 3,000,000 shares of Common Stock is greater than 20% of the currently outstanding number of shares of Common Stock.

Under Illinois law, our board of directors has the authority to issue shares of Common Stock of the Company in such amounts and for such consideration as the Board of Directors may deem appropriate under Section 6.25 of the IBCA.

The foregoing transactions were approved by our Board of Directors at a special meeting on September 10, 2014, and by two shareholders that hold a majority of our issued and outstanding Common Stock by a written consent.

This Information Statement is being mailed on or about November , 2014, to shareholders of record on , 2014. The actions described in this Information Statement will not become effective until the 21st day after the Information Statement is mailed to our shareholders. On or after such time, the actual share certificates covering 5,100,000 shares of Common Stock and warrants to purchase up to 3,000,000 shares of Common Stock will be issued to members of Pivot upon the satisfaction of certain requirements set forth in the Agreement.

GENERAL EMPLOYMENT ENTERPRISES, INC.
NOTES TO UNAUDITED PRO FORMA COMBINED FINANCIAL INFORMATION

1. BASIS OF PRO FORMA PRESENTATION

The unaudited pro forma combined balance sheet as of June 30, 2014, and the unaudited pro forma statements of operations for the nine months ended June 30, 2014 and the year ended September 30, 2013, are based on the historical financial statements of General Employment Enterprises, Inc. (the "Company") and Pivot Companies, LLC. ("Pivot") after giving effect to the Company's acquisition of Pivot during the month of September 2014, and reclassification and adjustments described in the accompanying notes to the unaudited pro forma combined financial information.

The Company accounts for business combinations pursuant to Accounting Standards Codification ASC 805, *Business Combinations*. In accordance with ASC 805, the Company uses its best estimates and assumptions to accurately assign fair value to the assets acquired and the liabilities assumed at the acquisition date. Goodwill as of the acquisition date is measured as the excess of the purchase consideration over the fair value of the assets acquired and the liabilities assumed.

The fair values assigned to Pivot's assets acquired and liabilities assumed are based on management's estimates and assumptions. The estimated fair values of these assets acquired and liabilities assumed are considered preliminary and are based on the information that was available as of the date of acquisition. The Company believes that the information provides a reasonable basis for estimating the fair values of assets acquired and liabilities assumed, but is waiting for additional information, primarily related to estimated values of current and non-current income taxes payable and deferred taxes, which are subject to change, pending the finalization of certain tax returns. The Company expects to finalize the valuation of the assets and liabilities as soon as practicable, but not later than one year from the acquisition date.

The unaudited pro forma combined financial information is not intended to represent or be indicative of the Company's consolidated results of operations or financial position that the Company would have reported had the Pivot acquisition been completed as of the dates presented, and should not be taken as a representation of the Company's future consolidated results of operation or financial position.

The unaudited pro forma combined financial information should be read in conjunction with the historical consolidated financial statements and accompanying notes of the Company included in the annual report on Form 10-K for the year ended September 30, 2013.

Accounting Periods Presented

For purposes of these unaudited pro forma combined financial information, Pivot's historical year end December 31, have been aligned to more closely conform to the Company's year end of September 30, as explained below. Certain pro forma adjustments were made to conform Pivot's accounting policies to the Company's accounting policies as noted below.

The unaudited pro forma combined balance sheet as of June 30, 2014 and the statements of operations for the nine months ended September 30, 2013 and the year ended June 30, 2014, are presented as if the acquisition of Pivot had occurred on October 1, 2012 and were carried forward through each of the periods presented.

Reclassifications

The Company reclassified certain accounts in the presentation of Pivot's historical financial statements in order to conform to the Company's presentation.

2. ACQUISITION OF PIVOT

On September 9, 2014, the Company entered into a Membership Interest Purchase Agreement with Pivot to acquire 100% of the membership interests in Pivot in a transaction accounted for under ASC 805, for cash in the amount of up to \$500,000 Common Stock in an amount up to 5,100,000 common shares and warrants to purchase up to 3,000,000 shares of Common Stock at a price of \$0.20 per common share. Pivot is the consolidation of three companies, Nextaff, LLC (“Nextaff”), Employment Edge, LLC (“PEO”) and Staff Systems, LLC (“Staff Systems”). Nextaff is a Franchisor which sells and provides support services to individual franchisees in the human resource industry. PEO operates as a professional employer organization and staffing provider. Staff Systems provides its customers with back-office support platform and financing of receivables.

Under the purchase method of accounting, the transactions were valued for accounting purposes at \$2.9 million, which was the estimated fair value of the Company at date of acquisition. The assets and liabilities of Pivot will be recorded at their respective fair values as of the date of signing the Agreement, and the following table summarizes these values based on the balance sheet at June 30, 2014.

NO ACTION IS REQUIRED

Other than the shareholder written consent described above, no other votes are necessary or required to effectuate the transactions described in this Information Statement. The Company anticipates that the shareholder consent described in this Information Statement will become effective on or promptly after November 10, 2014.

Effects of the Proposed Issuance

In recent years, broad stock market indices, in general, and smaller capitalization companies, in particular, have experienced substantial price fluctuations. The issuance of a significant amount of Common Stock may further adversely affect the price of the Common Stock. The influx of such a substantial number of common shares into the public market could have a significant negative effect on the trading price of the Common Stock. As of October 15, 2014, approximately 25.7 million shares of Common Stock were outstanding. An additional approximate 3 million shares of Common Stock will be outstanding upon the closing of the Pivot acquisition. Issuance of these shares of Common Stock may substantially dilute the ownership interests of our existing shareholders. The potential issuance of such additional shares of Common Stock may create downward pressure on the trading price of our Common Stock. After issuance, the shares of Common Stock contemplated by this Information Statement, will vote with the Common Stock on all matters submitted to the holders of the Common Stock.

No Dissenter's Rights

The corporate action described in this Information Statement will not afford to our shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

The Company, each Subsidiary and, to the Knowledge of the Sellers, each other party thereto, have complied in all material respects with each such Material Contract to which it is a party, and the Company, each Subsidiary and, to the Knowledge of the Sellers, each other party thereto have not caused or permitted to occur a material default under any of Material Contracts, nor has the Company or any Subsidiary granted or been granted any material waiver or forbearance with respect to any of Material Contracts.

2.11 Taxes.

(a) All material Tax Returns required to be filed by or on behalf of the Company and each Subsidiary at Closing have been timely filed and all Taxes shown to be due on those Tax Returns have been timely paid. All such Tax Returns were correct and complete in all material respects and completely reflect the income, franchise or other tax liability and all other information required to be reported thereon.

(b) Neither the Company nor any Subsidiary at Closing is the beneficiary of any extension of time within which to file any Tax Return, other than extensions which do not require the affirmative consent of the relevant Governmental Entity, and no waiver of any statute of limitations in respect of Taxes nor any agreement for extension of time with respect to a Tax assessment or deficiency is in effect or been entered into by or on behalf of the Company or any Subsidiary, as the case may be.

(c) Except for those disclosed in Section 2.11(c) of the disclosure schedule there are no pending dispute, claim, audit or investigation concerning any Tax liability of the Company or any Subsidiary at Closing, by or with any Tax authority either (i) for which the Company or any Subsidiary as of the Closing, has received written notice or (ii) to the Knowledge of the Sellers, otherwise.

(d) All material Taxes required by applicable Tax law to be withheld or collected by or on behalf of the Company or any Subsidiary at Closing, in connection with any amounts paid or owing to any employee or independent contractor, creditor or other party relating to the Business have been duly withheld or collected and, to the extent required, have been paid to the proper Governmental Entity.

(e) Neither the Company nor any Subsidiary has within the past five years distributed stock of another company, or has had its stock distributed by another company, in a transaction that was purported or intended to be governed in whole or in part by Code Sections 355 or 361.

(f) To the Knowledge of the Sellers, the Sellers do not expect any Tax authority to assess any additional Taxes against or in respect of the Company or any Subsidiary for any past period.

2.12 Financial Statements. The Company has provided to the Buyer the Financial Statements. The Financial Statements were prepared using materially accurate data derived from the books and records of the Company and each Subsidiary and fairly present the financial condition of the Company and each Subsidiary as of their respective dates and the results of their operations for the periods indicated, in each case on a basis consistent with prior periods and with the Accounting Standards.

2.13 Permits and Licenses. The Company and each Subsidiary holds all Permits that are material to the Business and necessary for the lawful conduct of the Business as currently conducted pursuant to the Laws and Regulations applicable to the Company and each Subsidiary. Each Company or Subsidiary Permit is in full force and effect, and will at Closing remain in full

force and effect for operations of the Business by the Company and each Subsidiary to the same and full extent as the Business is operated as of the date hereof, and neither the Company nor any Subsidiary is, or has received notice that it is, in default (or with the giving of notice or lapse of time or both, would be in default) under any such Permit.

2.14 Environmental Conditions.

(a) To the Knowledge of the Sellers, the Company and each of the Subsidiaries is in material compliance with all material terms, conditions and provisions of all applicable Environmental Laws and Environmental Permits.

(b) The Company has not received written notice of, nor is the Company currently the subject of, (i) a pending or, to the Knowledge of the Sellers, threatened Environmental Claim or (ii) a civil, criminal or administrative complaint or notice of violation from any Governmental Entity alleging a violation of, or liability under, any Environmental Laws applicable to the Company.

(c) No Subsidiary has received written notice of, nor is any Subsidiary the subject of, (i) a pending or, to the Knowledge of the Sellers, threatened Environmental Claim or (ii) a civil, criminal or administrative complaint or notice of violation from any Governmental Entity alleging a violation of, or liability under, any Environmental Laws applicable to any Subsidiary.

(d) The Company and each Subsidiary has obtained and holds all Environmental Permits which are required in respect of its Business, operations or assets and properties.

(e) The Business has not previously involved the use, handling, manufacture, treatment, processing, storage, generation, release, discharge or disposal of any Hazardous Substances, except for the use, handling, manufacture, treatment, processing, storage, generation, release, discharge or disposal in material compliance with Environmental Laws, and to the Knowledge of the Sellers there is no Liability under any Environmental Laws relating to the use, handling, manufacture, treatment, processing, storage, generation, release, discharge or disposal of any Hazardous Substances.

(f) Set forth in Section 2.14(f) of the Disclosure Schedule is a list of all documents (whether in hard copy or electronic form) that contain any environmental reports, investigations, assessments or audits relating to operations by the Company or any Subsidiary as well as to any property currently or previously owned, leased or operated by the Company or any Subsidiary (whether conducted by or on behalf of the Company, such Subsidiary or a third party, and whether done at the initiative of the Company or a Subsidiary or directed by a Governmental Entity or other third party) that the Company or any Subsidiary has access to. A complete and accurate copy of each such document has been provided to the Buyer.

2.15 Intellectual Property.

(a) Section 2.15(a) of the Disclosure Schedule lists all Company Registrations, in each case enumerating specifically the applicable filing or registration number, title, jurisdiction in which the filing was made or from which the registration issued, the date of filing or issuance, names of all current applicant(s) and registered owner(s), as applicable. All

assignments of Company Registrations to the Company or any Subsidiary have been properly executed and recorded. All Company Registrations are valid and enforceable, and all issuance, renewal, maintenance and other payments that are or have become due with respect thereto have been timely paid by or on behalf of the Company or the applicable Subsidiary.

(b) The Company and each Subsidiary owns, free and clear of any lien, inventorship challenge, nullity proceeding, interferences declared or commenced or other encumbrance or restriction, or has the right to use, the Company Intellectual Property. The Company Intellectual Property is adequate for the Company and each Subsidiary to fulfill its respective obligations under the Material Contracts and to conduct the Business as currently conducted. Other than the Company Intellectual Property, no Intellectual Property is material to the conduct of the Business.

(c) Neither the Company nor any Subsidiary has received any written claim or demand of any Person, and neither the Company nor any Subsidiary is a party to any proceeding pending or, to the Knowledge of the Sellers threatened, which challenges the rights of the Company or any Subsidiary in respect of (i) the Company Intellectual Property or (ii) the rights of the Company or any Subsidiary in respect of any material trade secret owned or used by it in the conduct of the Business. The Company Intellectual Property is not subject to any outstanding order, ruling, decree, judgment or stipulation by or with any court, arbitrator or administrative agency. To the Knowledge of the Sellers, neither the Company nor any Subsidiary is infringing on the intellectual property rights of any Person.

(d) Each item of Company Intellectual Property will be owned or available for use by the Buyer (through the Company or the applicable Subsidiary) following the Closing on substantially identical terms and conditions as it was immediately prior to the Closing.

(e) Each employee or independent contractor of the Company or any Subsidiary who has developed or participated in the development of material Company Intellectual Property within the three (3) year period prior to the date hereof has executed a written agreement expressly assigning to the Company or such Subsidiary all right, title and interest in any inventions and works of authorship, whether or not patentable, invented, created, developed, authored, conceived and/or reduced to practice by the employee as part of such employee's employment or such independent contractor's work for the Company or the relevant Subsidiary, and all Intellectual Property rights therein, and has waived all moral rights therein to the extent legally permissible.

2.16 [intentionally omitted]

2.17 Accounts and Notes Receivable. The existing accounts receivable and notes receivable of the Company and each Subsidiary, on a combined basis, all of which are owed solely to the Company or the applicable Subsidiary, constitute valid claims arising from bona fide transactions in the Ordinary Course of Business and, to the Knowledge of the Sellers, are collectible in accordance with their terms at their recorded amounts. Reserves for doubtful accounts have been established in accordance with the Accounting Standards. All accounts receivable which are thirty (30) days or more past due as of the date of this Agreement are set forth on Section 2.17 of the Disclosure Schedule.

2.18 Brokers and Finders. Except as set forth on Section 2.18 of the Disclosure Schedule, none of the Sellers, the Company or any Subsidiary, nor any of their respective officers, directors or employees have employed any broker, finder or investment banker or incurred any liability for any commission, brokerage or investment-banking fee, or finder's fee in connection with the transactions contemplated by this Agreement.

2.19 Absence of Changes. Since the date of the Most Recent Balance Sheet, except as set forth on Section 2.19 of the Disclosure Schedule and except for the transactions contemplated by this Agreement, there has not been any event or development which, individually or together with other such events, could reasonably be expected to have a Company Material Adverse Effect and the Business has been conducted consistent with past practice. Without limiting the foregoing, except as set forth on Section 2.19 of the Disclosure Schedule and except for the transactions contemplated in this Agreement, since the date of the Most Recent Balance Sheet neither the Company nor any Subsidiary has (except to the extent such exception is limited to only the Subsidiaries for purposes of performance of this Agreement):

(d) incurred or increased any indebtedness, (ii) made or agreed to make any loans to any Person or (iii) made or agreed to make any voluntary purchase, cancellation, prepayment or complete or partial discharge in advance of a scheduled payment date with respect to, or waiver of any right of the Company or any Subsidiary, or the Company or any Subsidiary under, any indebtedness of or owing to the Company or such Subsidiary;

(e) suffered any physical damage, destruction or other casualty loss (whether or not covered by insurance) adversely affecting any of the real or personal property or equipment of the material assets and properties of the Company or any Subsidiary prior to Closing;

(f) failed to pay or satisfy when due any material obligation of the Company or any Subsidiary;

(g) acquired any business or assets and properties of any Person (whether by merger, consolidation or otherwise) or disposed or leased, or incurred a Lien (other than a Permitted Lien) on, any assets and properties of the Company or any Subsidiary, in each case, other than acquisitions or dispositions of products in the Ordinary Course of Business of the Company and such Subsidiary;

(h) entered into, amended, modified, terminated (in whole or in part) or granted a waiver under or given any consent with respect to any Intellectual Property;

(i) commenced, terminated or changed any line of the Business;

(j) entered into any transaction with any member (or any member's Affiliates) or Affiliate of the Company or any Subsidiary;

(k) made any change in the accounting methods or procedures of the Company or any Subsidiary; or

(l) entered into any agreement to do any of the things described in the preceding paragraphs.

2.20 No Undisclosed Liabilities.

(a) There are no expenses incurred in the Business that are not reflected as an expense of the Company or a Subsidiary, as the case may be, in the Most Recent Balance Sheet, other than expenses incurred between the date of this Agreement and the Closing Date in the Ordinary Course of Business and which are not, individually or in the aggregate, material to the Business.

(b) As of the date of the Most Recent Balance Sheet, neither the Company nor any Subsidiary had Liabilities on any of their assets and properties, including, without limitation, Liabilities for borrowed money, taxes, accounts payable (including rent arrears), amounts owed to any member (or any member's Affiliates or relatives) or Affiliates of the Company or any Subsidiary, customer orders, customer advances and deposits, open purchase orders of the Company or any Subsidiary (including, without limitation, commitments to suppliers of the Company or any Subsidiary for work-in-process), advances and deposits paid to suppliers of the Company or any Subsidiary commissions or other compensation owed to employees of the Company or such Subsidiary, customer claims, product liability or personal injury claims and warranty claims, except (i) Liabilities set forth on the Most Recent Balance Sheet, (ii) Liabilities incurred in the Ordinary Course of Business since the date of the Most Recent Balance Sheet and in accordance with the provisions of this Agreement, or (iii) Liabilities or obligations that are not, individually or in the aggregate, material to the Business, or as otherwise permitted in this Agreement.

2.21 Insurance. Section 2.21 of the Disclosure Schedule sets forth a true and complete list specifying the type of coverage and the insurer of all liability, property, workers compensation, directors and officers liability and other insurance policies (including any self-insurance programs, if any) currently in effect that insure the Business of the Company or any Subsidiary, the employees of the Company or any Subsidiary or affect or relate to the ownership, use or operation of any of the assets and properties of the Company or any Subsidiary. Each of these policies will continue in full force and effect following the Closing, and will cover the

Company, each Subsidiary, the Business and the assets and properties of the Company and each Subsidiary after the Closing. None of the Company, any Subsidiary or any Person to whom such policy has been issued has failed to give any significant notice or present any significant claim under any such policy in due and timely fashion.

2.22 Related Party Transactions. Except as set forth on Section 2.22 of the Disclosure Schedule, neither the Company nor any of the Subsidiaries is indebted, directly or indirectly, to any of its directors, officers or employees or to their respective spouses or children or to any Affiliate of any of the foregoing, other than in connection with expenses or advances of expenses incurred in the Ordinary Course of Business for salary, wages or other compensation for other customary employee benefits made generally available to all employees. Except as set forth on Section 2.22 of the Disclosure Schedule, none of the Company's or any Subsidiary's directors, managers or officers, or any members of their immediate families, or any Affiliate of the foregoing are, directly or indirectly, indebted to the Company or any Subsidiary, or, to the Knowledge of the Sellers, have any (a) material commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationship with any of the Company's or any Subsidiary's customers, suppliers, service providers, joint venture partners, licensees or competitors; (b) direct or indirect ownership interest in any Person with which the Company or Subsidiaries is affiliated or with which the Company or any Subsidiary has a business relationship, or any firm or corporation which competes with the Company or any Subsidiary, except that directors, managers, officers or employees or Affiliates of the foregoing may own stock in (but not exceeding two percent (2%) of the outstanding capital stock of) publicly traded companies; or (c) financial interest in any Material Contract.

2.23 Relationships with Customers and Suppliers. Since the date of the Most Recent Balance Sheet, no business relationship of the Company or any Subsidiary, with any customer, supplier, vendor or whose purchases or sales, as the case may be, are individually or in the aggregate material to the Business has been or, has been threatened in writing to be, terminated, canceled or materially and adversely limited or modified, and, to the Knowledge of the Sellers, there exists no present condition or state of facts or circumstances with respect to those business relationships that would reasonably be expected to have a Material Adverse Effect on the Business, or prevent the Company or any Subsidiary from conducting the Business in substantially the same manner in which it is now conducted after the Closing.

ARTICLE III- REPRESENTATIONS AND WARRANTIES REGARDING THE INDIVIDUAL SELLERS

Each Seller, severally and not jointly, represents and warrants to the Buyer that, except as set forth in the Disclosure Schedule, the statements contained in this Article III are true and correct as of the date of this Agreement and will be true and correct as of the Closing as though made as of the Closing, except to the extent such representations and warranties are specifically made as of a particular date (in which case such representations and warranties will be true and correct as of such date). The Disclosure Schedule shall be arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs contained in this Article III. The disclosures in any section or paragraph of the Disclosure Schedule shall qualify only (a) the corresponding section or paragraph in this Article III and (b) other sections or paragraphs in this Article III to the extent that it is clear from a reading of the disclosure that such disclosure also qualifies or applies to such other section or paragraph.

3.1 Authority. Such Seller is of sound mind and fully competent to enter into this Agreement and to carry out its respective terms, and has full power and authority to execute and deliver this Agreement and to consummate the Transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Seller. This Agreement is binding upon and enforceable against such Seller in accordance with its terms, except as enforceability may be limited or affected by (a) applicable bankruptcy, insolvency, reorganization, moratorium, or other laws of general application relating to or affecting creditors' rights and remedies generally and (b) rules of law governing specific performance, injunctive relief, or other equitable remedies.

3.2 No Adverse Consequences. The execution and delivery by such Seller of this Agreement, the performance by such Seller of its obligations hereunder and the consummation of the transactions contemplated hereby does not and will not (a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of any Organizational Documents to which such Seller is a party; (b) require on the part of such Seller any notice to or filing with, or any permit, authorization, consent or approval of, any Governmental Entity, or the filing of any report under the Exchange Act, or the submission or filing of any notice, report or other filing prior to the Closing; (c) conflict with, result in a default under, result in the acceleration of obligations under, create in any party the right to accelerate, terminate, modify or cancel, or require any notice, consent or waiver under any contract, lease, sublease, license, sublicense, franchise, permit, indenture, agreement or mortgage for borrowed money, instrument of indebtedness, Lien or other arrangement to which such Seller is party or by which such Seller is bound or to which any of the assets of such Seller are subject; (d) result in the imposition of any Lien upon any assets of such Seller; (e) violate any Law and Regulation, order, writ, injunction, decree, statute, rule or judgment applicable to such Seller or any of its properties or assets; or (f) cause the bankruptcy or insolvency of such Seller.

3.3 Ownership. Except as set forth on Section 3.3 of the Disclosure, such Seller: (i) is the record owner of all Membership Interests indicated on Section 3.3 of the Disclosure Schedule as being owned by Seller, (ii) has the entire right, title and interest in and to such Membership Interests, and (iii) has full right, power, capacity and authority to validly sell, assign, convey and transfer such Membership Interests to Buyer. If and when transferred to Buyer as provided in this Agreement, such Membership Interests will at Closing be transferred free and clear of all Liens (other than restrictions on transfer arising under the Securities Act and state or foreign securities laws), encumbrances, or claims of any kind. Such Seller has not granted or agreed to grant to any other Person a right, whether absolute or contingent, to purchase or acquire any of the Membership Interests, and no Person (other than Buyer) has any such right.

3.4 Litigation. Except as provided in Section 3.4 of the Disclosure Schedule, there is no litigation, proceeding or investigation pending or, to Knowledge of such Seller, threatened, against such Seller. There are no judgments, orders or decrees outstanding against such Seller.

3.5 Claims. Such Seller has no actions, suits, causes of action or Liabilities of any kind or nature, whether in law or equity, and whether arisen, accrued or matured heretofore or hereafter, whether against the Company or any of the Subsidiaries by reason of any cause, matter or thing whatsoever occurring prior to the date hereof (collectively, "**Claims**"), including (a) any Claims relating to or arising out of any Equity Interests of the Company held at any time by such Seller and (b) any dividends or distributions on such Equity Interests; provided, however, that notwithstanding anything herein to the contrary, nothing herein shall be deemed a release or discharge of any obligation of the Buyer to perform any of the terms, conditions and agreements contained in this Agreement or any other agreement contemplated hereby.

3.6 Accredited Investor Status. Such Seller is an “accredited investor” as defined in Section 501 of Regulation D under the Securities Act.

3.7 Due Diligence Investigation. Such Seller has been solely responsible for his own due diligence investigation of the Buyer and its business, and analysis of the merits and risks of the transaction contemplated by this Agreement. Such Seller has been given access to full and complete information regarding the Buyer, and such Seller has reviewed such information and is familiar with it. Such Seller has no knowledge of the existence or nonexistence or occurrence or nonoccurrence of any event, condition or circumstance the existence, nonexistence, occurrence or nonoccurrence of which would cause any representation or warranty of Buyer contained in this Agreement to be untrue or inaccurate in any respect. Such Seller has entered into the transactions contemplated by this Agreement with the understanding, acknowledgement and agreement that no representations or warranties, express or implied, are made with respect to future prospects (financial or otherwise) of the business of the Buyer. Such Seller acknowledges that no current or former stockholder, director, officer, employee, Affiliate or advisor of Buyer has made or is making any representations, warranties or commitments whatsoever regarding the subject matter of the Agreements, express or implied.

3.8 Disclosure. No representation or warranty by such Seller contained in this Agreement, and no statement contained in the Disclosure Schedule or any other document, certificate or other instrument delivered or to be delivered by or on behalf of such Seller pursuant to this Agreement, contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary, in light of the circumstances under which it was or will be made, in order to make the statements herein or therein not misleading.

ARTICLE IV- REPRESENTATIONS AND WARRANTIES REGARDING THE BUYER

The Buyer represents and warrants to the Sellers that the statements contained in this Article IV are true and correct as of the date of this Agreement and will be true and correct as of the Closing as though made as of the Closing, except to the extent such representations and warranties are specifically made as of a particular date (in which case such representations and warranties will be true and correct as of such date):

4.1 Organization. The Buyer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois. The Buyer has all requisite power and authority (corporate and other) to carry on the businesses in which it is engaged and to own and use the properties owned and used by it.

4.2 Authorization. The Buyer has all requisite power and authority to execute and deliver this Agreement and the other agreements contemplated hereby and to perform its obligations hereunder and thereunder. The execution and delivery by the Buyer of this Agreement and the other agreements contemplated hereby and the consummation by the Buyer of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action on the part of the Buyer. This Agreement has been duly and validly executed and delivered by the Buyer and constitutes a valid and binding obligation of the Buyer, enforceable against the Buyer in accordance with its terms.

4.3 Absence of Conflicts. Except as disclosed by the Buyer to the Sellers prior to Closing, neither the execution and delivery by the Buyer of this Agreement or any other agreement contemplated hereby, nor the performance by the Buyer of its obligations hereunder or thereunder, nor the consummation by the Company of the transactions contemplated hereby or thereby, will (a) conflict with or violate any provision of the Organizational Documents of the Buyer, each as amended and/or restated to date (b) require on the part of the Buyer any notice to or filing with, or any Permit, authorization, consent or approval of, any Governmental Entity, (c) conflict with, result in a breach of, constitute (with or without due notice or lapse of time or both) a default under, result in the acceleration of obligations under, create in any party the right to accelerate, terminate, modify or cancel, or require any notice, consent or waiver under, any contract, lease, sublease, license, sublicense, franchise, Permit, indenture, agreement or mortgage for borrowed money, instrument of indebtedness, Lien or other arrangement to which the Buyer is a party or by which the Buyer is bound or to which any of its assets are subject, or (d) violate any order, writ, injunction, decree, statute, rule or regulation applicable to the Buyer or any of its properties or assets.

4.4 Broker's Fees. Except as disclosed by the Buyer to the Sellers prior to Closing, the Buyer has no Liability to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement.

4.5 Disclosure. No representation or warranty by the Buyer contained in this Agreement, and no statement contained in any other document, certificate or other instrument delivered or to be delivered by or on behalf of the Buyer pursuant to this Agreement, contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary, in light of the circumstances under which it was or will be made, in order to make the statements herein or therein not misleading.

4.6 SEC Periodic Reports. Since January 1, 2013, Buyer has timely filed or otherwise furnished (as applicable) all forms, reports, proxy statements, statements and documents required to be filed or furnished by it under the Securities Act or the Exchange Act, as the case may be, together with all certifications required pursuant to the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") (such documents and any other documents filed by the Buyer with the SEC, as have been supplemented, modified or amended since the time of filing, collectively, the "Buyer SEC Documents"). As of their respective filing dates the Buyer SEC Documents (a) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (b) complied in all material respects with the applicable requirements of the Exchange Act or the Securities Act, as the case may be, the Sarbanes-Oxley Act and the applicable rules and regulations of the SEC thereunder. To the knowledge of the Buyer none of the Buyer SEC Documents is the subject of ongoing SEC review or outstanding SEC comment. All of the audited consolidated financial statements and unaudited consolidated interim financial statements of the Buyer included in the Buyer SEC Documents (collectively the "Buyer Financial Statements") (i) have been prepared from, are in accordance with, and accurately reflect the books and records of the Buyer in all material respects, (ii) have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto or, in the case of

interim financial statements, for normal and recurring year-end adjustments) and (iii) fairly present in all material respects the consolidated financial position and the consolidated results of operations, cash flows, and changes in shareholders' equity of the Buyer as of the dates and for the periods referred to therein.

4.7 NYSE MKT Disclosures. Buyer received a letter (the "Letter") from NYSE MKT, LLC (the "NYSE MKT") on June 6, 2013, which stated, among other things, that Buyer had equity less than \$4 million and had sustained losses from continuing operations and/or net losses in three of its four most recent fiscal years and, in the opinion of NYSE MKT, it was questionable as to whether Buyer would be able to continue operations and/or meet its obligations as they mature based on its current overall financial condition, pursuant to Sections 1003(a)(ii) and 1003(a)(iv) of the NYSE MKT's Company Guide, respectively. Buyer's plan of compliance detailing actions which it planned to take to regain compliance with stated listing requirements (the "Impairment Plan") was initially accepted by NYSE MKT on August 27, 2013, granting Buyer until October 7, 2013 (the "Impairment Plan Period") to regain compliance. By the letters dated October 29, 2013, March 13, 2014, and April 14, 2014, NYSE MKT granted Buyer extensions of the Impairment Plan Period until February 21, 2014, March 31, 2014, and June 6, 2014, respectively. Based on a review of information provided by Buyer, NYSE MKT then granted Buyer a further extension from June 6, 2014, to December 6, 2014. As such, Buyer's targeted completion date to improve the overall financial condition and comply with 1003(a)(iv) and, additionally, to increase the equity to a minimum of \$4 million and comply with 1003(a)(ii) is now December 6, 2014. Buyer will be subject to periodic review by NYSE MKT staff during the extension period and issuance of any additional shares will require approval by NYSE MKT's senior management. Failure to make progress consistent with the plan or to regain compliance with the continued listing standards by the end of the extension period could result in Buyer being delisted from the NYSE MKT.

4.8 Material Nonpublic Information. Since June 30, 2014, Buyer's periodic reports as filed with the SEC have contained disclosures of all material information regarding Buyer that is required to be disclosed under the Securities Act, the Exchange Act, Sarbanes-Oxley Act, and the rules of the NYSE MKT.

(a) conduct the Business in the Ordinary Course of Business and in material conformity with applicable Laws and Regulations, and with any licenses, Permits, and other authorizations issued to it by any Governmental Entity, and promptly following receipt deliver notice to Buyer and copies of any communication or notice received from any Governmental Entity or other Person alleging any violation of any such Law and Regulation;

(b) exercise commercially reasonable efforts to (i) preserve the Business intact, (ii) preserve present commercially significant relationships with and maintain the goodwill of with vendors and customers, and others having business relations with the Company or any Subsidiary, (iii) keep in full force and effect the Company, each Subsidiary and the Company's and each Subsidiary's limited liability company existence and all material rights (including Company Intellectual Property) relating to the Business, (iv) maintain the assets of the Company and each Subsidiary in adequate and suitable condition for the purposes for which they are presently being used, and (v) pay its creditors and other accounts, and collect its receivables in the Ordinary Course of Business; and

(c) maintain the respective Company and Subsidiary books and records in accordance with the Accounting Standards.

5.4 Notices and Consents. 5.5 Access.

(a) The relevant Seller will permit, and will cause the Company and each Subsidiary to permit, representatives of the Buyer to have access during normal business hours with reasonable notice, and in a manner so as not to interfere with the normal operations of the Company and the Subsidiaries, as the case may be, to all premises, properties, personnel, books, records (including Tax records), contracts and documents of or pertaining to the Company and each Subsidiary, in each case as Buyer may reasonably request.

(b) Within fifteen (15) business days after the end of each month ending prior to the Closing, beginning with September 2014, the Sellers shall cause the Company and each Subsidiary to furnish to the Buyer an unaudited income statement for such month and a balance sheet as of the end of such month, prepared on a basis consistent with the Financial Statements. Such financial statements shall present fairly the consolidated financial condition and results of operations of the Company and each Subsidiary as of the dates thereof and for the periods covered thereby, and shall be consistent with the books and records of the Company and each Subsidiary.

5.6 Exclusivity. During the period from the date of this Agreement to the Closing or the earlier termination of this Agreement in accordance with Article IX hereof, except as required by law, each Seller and the Company shall not, and each such Party shall cause each the Subsidiaries and each of their officers, directors, employees, representatives and agents not to, directly or indirectly, through any officer, director, manager, employee, Affiliate, agent or representative or otherwise, (i) initiate, solicit, encourage or otherwise facilitate any inquiry,

proposal, offer or discussion with any party (other than the Buyer or its representatives) concerning any acquisition, equity or debt financing, joint venture, merger, reorganization, consolidation, recapitalization, business combination, liquidation, dissolution, share exchange, sale of stock, sale of material assets or similar business transaction (collectively, an “**Alternative Transaction**”) involving the Company or any Subsidiary, (ii) engage in negotiations or enter into any agreement with any party (other than the Buyer or its Affiliates or representatives) concerning any such transaction, or (iii) furnish any information concerning the business, properties or assets of the Company or any Subsidiary (other than the Buyer or its representatives), except in the Ordinary Course of Business.

5.7 Notice of Breaches; Supplemental Disclosure. During the period from the date of this Agreement to the Closing or the earlier termination of this Agreement in accordance with Article IX hereof, the Company and each Seller shall promptly deliver to the Buyer in a writing specifically referring to this Section 5.7 supplemental information concerning events or circumstances, whether occurring prior to or subsequent to the date hereof which would render any representation, warranty or statement of the Company or any Seller in this Agreement or the Disclosure Schedule incomplete or inaccurate in any material respect at any time after the date of this Agreement until the Closing. Any such supplemental information concerning events or circumstances occurring subsequent to the date hereof shall be deemed to update the Disclosure Schedule and this Agreement with respect to any affected representation, warranty or statement, and no claim for any related breach or misrepresentation may be made thereon to the extent that Buyer does not elect to terminate this Agreement as a result of such disclosure. Notwithstanding the foregoing, any such supplemental information based on material events or material circumstances that existed or occurred prior to the date hereof shall not be deemed to avoid or cure any misrepresentation or breach of warranty, or constitute an amendment or waiver of any representation, warranty or statement in this Agreement or the Disclosure Schedule, or limit the availability of claims for indemnification related to such events or circumstances irrespective of the Buyer’s closing of the Transaction.

5.8 Expenses. Except as otherwise expressly provided herein, the Buyer will pay all fees and expenses (including legal and accounting fees and expenses) incurred by it in connection with the transactions contemplated hereby and the Sellers will pay all fees and expenses incurred by the Sellers and the Company in connection with the transactions contemplated hereby.

5.9 Appointment to Board. As soon as practicable after the Closing, Buyer’s Board of Directors shall expand by one seat and shall appoint Cary Daniel to serve as a Director, until the earlier of his resignation, removal, death, or the next annual meeting of shareholders of the Buyer.

5.10 Issuance of Options. As soon as practicable after the Closing, the Compensation Committee of Buyer’s Board of Directors will work with Andrew Norstrud and Cary Daniel to designate the appropriate employees of the Company for the receipt, collectively, of up to 300,000 options to purchase shares of common stock of Buyer. Said options shall be issuable under Buyer’s 2013 Incentive Stock Plan.

(e) no Legal Proceeding shall be pending or threatened in writing wherein an unfavorable judgment, order, decree, stipulation or injunction would (i) prevent consummation of the transactions contemplated by this Agreement, (ii) cause the transactions contemplated by this Agreement to be rescinded following consummation of any such transaction or (iii) have, individually or in the aggregate, a Company Material Adverse Effect, and no such judgment, order, decree, stipulation or injunction shall be in effect;

(f) the Sellers and the Company shall have delivered to the Buyer the Company Certificate;

(g) the Buyer shall have obtained consent to proceed with the Closing by the Requisite Buyer Vote;

(p) the Buyer shall have completed Buyer's due diligence review of the Company, and shall be satisfied, in Buyer's sole discretion, with the outcome of said review.

(b) the Buyer shall have performed or complied with each of its agreements and covenants required to be performed or complied with under this Agreement as of or prior to the Closing.

ARTICLE VII- INDEMNIFICATIONS

7.1 Survival of Representations and Warranties.

(a) The representations and warranties of the Sellers contained in this Agreement shall survive the Closing until the twenty four (24) month anniversary of the Closing, except that: (i) the representations and warranties made pursuant to Section 2.1 (Existence; Authority), Section 2.2 (Capitalization), Section 3.1 (Authority), and Section 3.3 (Ownership) shall survive indefinitely and (ii) the representations and warranties made pursuant to Section 2.7 (Employee Benefits), Section 2.11 (Taxes), and Section 2.14 (Environmental Conditions) shall survive until sixty (60) days after the expiration of the applicable statute of limitations. The representations identified in clauses (i) and (ii) of this Section 7.1(a) are herein referred to as the (“**Seller Fundamental Representations**”).

(b) [intentionally omitted]

(c) The representations and warranties of Buyer contained in this Agreement shall survive the Closing until the twenty four (24) month anniversary of the Closing, except that the representations and warranties made pursuant to Section 4.1 (Organization) and Section 4.2 (Authorization) (collectively, the “**Buyer Fundamental Representations**”) shall survive indefinitely.

(d) The representations and warranties set forth in this Agreement speak only as of the date of this Agreement and as of the date of the Closing (except for representations and warranties that are made as of a specific date, which representatives and warranties speak only as of such date). Claims for indemnification based on the breach of a representation or warranty may only be made if the Party or Parties seeking indemnification (an “**Indemnified Party**”) delivers a Claim Notice pursuant to Section 7.6 to the Party or Parties from whom indemnification is sought (an “**Indemnifying Party**”) before the expiration of the applicable survival period specified in Section 7.1. No claim for indemnification based on a breach of a representation or warranty may be brought after the expiration of the applicable survival period, except that (i) claims with respect to which a Claim Notice has been delivered prior to the expiration of the applicable survival period shall survive as to such claim until finally resolved and (ii) claims based on fraud shall survive for the applicable statute of limitations.

7.2 Indemnification by Sellers.

(a) Each Seller, severally and not jointly, shall indemnify and hold harmless Buyer and its Affiliates, officers, directors, employees, agents, successors and assigns (each a “**Buyer Indemnified Party**”) from and against any and all Liabilities, losses, diminution in value, damages, claims, costs and expenses, interest, fines, deficiencies, court costs, litigation costs, awards, judgments and penalties (including attorneys’ and consultants’ fees and expenses)

actually suffered or incurred by all or any of them (including, but not limited to, any Action brought or otherwise initiated by any of them) (a “**Loss**”), arising out of or relating to any breach of any representation or warranty made by such individual Seller contained in Article III of this Agreement.

(b) The Sellers, jointly and severally, shall indemnify and hold harmless the Buyer Indemnified Parties from and against any and all Losses arising out of or relating to:

(i) any breach of any representation or warranty made by any Seller or the Company contained in this Agreement other than representations and warranties made under Article III of this Agreement;

(ii) any non-fulfillment or failure to perform or other breach of any covenant or agreement by any of the Sellers (or, with respect to periods before Closing, by the Company and the Subsidiaries) contained in this Agreement;

(iii) any Liability of Buyer for Taxes of the Company or any Subsidiary for all Pre-Closing Tax Periods;

(iv) any Liabilities of the Company, in existence at Closing, that are undisclosed to Buyer prior to Closing and that collectively total greater than Fifty Thousand (\$50,000) Dollars; and

(v) the loss by the Company, during the two year period post Closing, of any Key Customer account. For purposes of this Section 7.2(v) only, the Parties agree that Loss shall equal the Gross Profit that would have been generated from said lost Key Customer(s) from the date of loss until the two year anniversary of Closing.

7.3 [Intentionally Omitted]

7.4 Indemnification by Buyer. Buyer shall indemnify and hold harmless each Seller and its respective Affiliates, officers, directors, employees, agents, successors and assigns (each a “**Seller Indemnified Party**”) from and against any and all Losses, arising out of or relating to:

(a) any breach of any representation or warranty made by Buyer contained in this Agreement;

(b) any non-fulfillment or failure to perform or other breach of any covenant or agreement by the Buyer contained in this Agreement; or

(c) any Liability incurred by Sellers for Taxes of the Company or the Subsidiaries for all Post-Closing Tax Periods.

7.5 Limits on Indemnification.

(a) Seller Limitations. Notwithstanding anything to the contrary contained in this Agreement other than with respect to claims based on fraud or relating to the Seller Fundamental Representations, the Sellers shall not be liable for indemnification pursuant to Section 7.2(a) or Section 7.2(b)(i) – (iii), as the case may be, unless and until the aggregate amount of all claims under Section 7.2 exceeds \$50,000 (at which point the Sellers shall become liable only with respect to claims in excess of \$50,000);

(b) Buyer Limitations. Notwithstanding anything to the contrary contained in this Agreement other than with respect to claims based on fraud or relating to the Buyer Fundamental Representations, the Buyer shall not be liable for indemnification pursuant to Section 7.4, unless and until the aggregate amount of all claims under Section 7.4 exceeds \$50,000 (at which point the Buyer shall become liable only with respect to claims in excess of \$50,000);

(c) In calculating the indemnifiable Losses suffered by the Indemnified Party as a result of any breach of this Agreement, the recoverable amount of any claim shall be reduced by any amounts the Indemnified Party has received from third parties in connection with the matter, including any indemnification or other recovery under any contract, agreement, or arrangement between a Buyer Indemnified Party and any third party and any insurance proceeds. The Indemnified Party will use commercially reasonable efforts to pursue third party recoveries and otherwise mitigate the indemnifiable Losses. However, nothing in this Section 7.5(c) precludes an Indemnified Party from giving notice of its indemnity claim before exhausting its remedies. If the Indemnified Party receives any third party payments after an indemnification payment is made that relates thereto, the Indemnified Party will promptly repay to the Indemnifying Party the amount of the indemnification payment the Indemnifying Party would not have paid had the third-party payment reduced the original indemnification payment.

(d) An Indemnified Party shall not assert claims with respect to, or recover damages for, Losses that are in the nature of consequential or punitive damages or claims for loss of profit, except under Section 7.2(b)(v) or to the extent the Indemnified Party is required to pay punitive damages to a third party pursuant to a Third Party Claim (as defined in Section 7.6(d)).

(e) Notwithstanding any provision of this Agreement to the contrary, Buyer is not entitled to indemnification under Section 2.11 (Taxes) with respect to the Taxes attributable to the post-Closing portion of any Straddle Period.

(f) An Indemnified Party may not recover duplicative indemnifiable Losses in respect of a single set of facts or circumstances under more than one representation, warranty, covenant, or agreement in this Agreement.

(g) Notwithstanding anything contained herein to the contrary, any indemnity claim against the Sellers pursuant to this Article VII shall be satisfied, at the election of Buyer, either by (i) an offset against any post Closing payments due to the applicable Seller Indemnifying Party from the Buyer under Section 1.3, or (ii) by the delivery by the applicable Seller Indemnifying Party of either immediately available funds or a number of shares of Buyer Stock that have a Value equal to the amount to be recovered by the Buyer Indemnified Parties. For purposes of this Article VII, the “Value” of any Buyer Stock delivered in satisfaction of an indemnity claim shall be equal to \$0.20 per share, subject to adjustment for forward stock splits, reverse stock splits, stock dividends and any other similar events occurring after the date hereof.

7.6 Notice of Loss; Third Party Claims.

(a) An Indemnified Party shall give the Indemnifying Party prompt notice of any matter that an Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement, as soon as practicable, stating the amount of the Loss (the “**Claimed Amount**”), if known, and method of computation of the Loss, and containing a reference to the provisions of this Agreement in respect of which the right of indemnification is claimed or arises (a “**Claim Notice**”).

(b) Within twenty (20) calendar days after delivery of a Claim Notice, the Indemnifying Party shall deliver to the Indemnified Party a written response (a “**Response**”), in which the Indemnifying Party shall (i) agree that the Indemnified Party is entitled to receive all of the Claimed Amount; (ii) agree that the Indemnified Party is entitled to receive part, but not all, of the Claimed Amount; or (iii) dispute that the Indemnified Party is entitled to receive all or a portion of the Claimed Amount. The Indemnifying Party may contest the payment of all or a portion of the Claimed Amount only based upon a good faith belief that all or such portion of the Claimed Amount does not constitute Loss for which the Indemnified Party is entitled to indemnification under this Article VII. If no Response is delivered by the Indemnifying Party within such twenty (20) day period, the Indemnifying Party shall be deemed to have agreed that all of the Claimed Amount is owed to the Indemnified Party.

(c) During the thirty (30) day period following the delivery of a Response that reflects a dispute as to the Claimed Amount (a “**Dispute**”), the Indemnifying Party and the Indemnified Party shall use good faith efforts to resolve the Dispute. If the Dispute is not resolved within such thirty (30) day period, the Indemnifying Party and the Indemnified Party shall discuss in good faith the submission of the Dispute to binding arbitration. The provisions of this Section 7.6(c) shall not obligate the Indemnifying Party and the Indemnified Party to submit to arbitration or any other alternative dispute resolution procedure with respect to any Dispute, and in the absence of an agreement by the Indemnifying Party and the Indemnified Party to arbitrate a Dispute, such Dispute shall be resolved in a state or federal court sitting in the State of Illinois, in accordance with Section 11.11.

(d) If an Indemnified Party receives notice of any Action, demand or assessment (each, a “**Third Party Claim**”) against it or that may give rise to a claim for Loss under this Section 7.6(d), the Indemnified Party shall give the Indemnifying Party notice of the Third Party Claim within thirty (30) days of the receipt of notice. However, the failure to provide notice does not release the Indemnifying Party from any of its obligations under this Article VII except to the extent that the Indemnifying Party is materially prejudiced by the failure. To the extent permitted by the law applicable to the Third Party Claim, the Indemnifying Party is entitled to assume and control the defense of the Third Party Claim at its expense and through counsel of its choice if it gives notice of its intention to do so to the Indemnified Party within ten (10) days of the receipt of notice from the Indemnified Party. However, to the extent permitted by the law applicable to the Third Party Claim, the Indemnified Party is entitled, at its own expense, to participate in the defense of the Third Party Claim.

(e) If the Indemnifying Party exercises the right to undertake the defense against a Third Party Claim as provided above, the Indemnified Party shall reasonably cooperate with the Indemnifying Party in the defense and make available to the Indemnifying Party, at the Indemnifying Party’s expense, all witnesses, pertinent records, materials, and information in the Indemnified Party’s possession or under the Indemnified Party’s control relating thereto as the Indemnifying Party reasonably requires. Similarly, if the Indemnified Party is, directly or

indirectly, conducting the defense against a Third Party Claim, the Indemnifying Party shall reasonably cooperate with the Indemnified Party in the defense and make available to the Indemnified Party, at the Indemnifying Party's expense, all witnesses, records, materials, and information in the Indemnifying Party's possession or under the Indemnifying Party's control relating thereto as the Indemnified Party reasonably requires.

(f) The Indemnified Party shall not consent to the entry of any judgment or enter into any settlement with respect to the Third-Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be withheld unreasonably.

7.7 Character of Indemnification Payments. Sellers and Buyer agree to treat all payments made pursuant to this Article VII (Indemnification) as adjustments to the Acquisition Consideration contained in Section 1.2(a) for Tax purposes, unless otherwise required by applicable Laws and Regulations.

7.8 Exclusive Remedy. After the Closing, except in the case of fraud, the sole remedy of an Indemnified Party for all indemnifiable Losses with respect to the transactions contemplated by this Agreement is the indemnity set forth in Article VII (Indemnification) (it being understood that nothing in this Section 7.8 shall limit the Parties' rights to specific performance or other equitable remedies with respect to the covenants referred to in Article VIII (Tax Matters)).

7.9 Covenant Not to Transfer or Encumber Buyer Stock. The Sellers covenant and agree, for purposes of assuring the respective indemnification obligations of the Sellers set forth in this Article VII, on the Closing Date and for a period of twelve (12) months thereafter (provided, the period shall be six (6) months for Jamie Dingley), the Sellers shall not sell, transfer, pledge, option, mortgage, hypothecate or permit any Lien, attachment, trustee process or any other judicial process of any creditor of any party to encumber the Buyer Stock. Nothing herein shall be deemed to limit any greater periods which are applicable to rights of indemnification hereunder or any actions for enforcement of such rights to indemnification. Notwithstanding anything to the contrary in this Agreement, in the event a Seller lacks the number of shares of Buyer Stock required to satisfy an indemnity claim against such Seller pursuant to this Article VII or is otherwise unable to satisfy such an indemnity claim as a result of a breach of this Section 7.9, such Seller shall be required to satisfy the indemnity claims in immediately available funds.

ARTICLE VIII- TAX MATTERS

8.1 Returns and Payment of Taxes.

(a) Sellers shall (i) prepare and timely file (or cause to be prepared and filed) all Tax Returns required to be filed by or with respect to the Company and any of the Subsidiaries, for all Tax Periods ending on or before the Closing Date, including all federal, state, local or foreign consolidated or separate returns and combined reports in which Company or any of the Subsidiaries may be or is required to join, and (ii) timely pay all Taxes due with respect thereto. The Parties agree that the Company and the Subsidiaries shall be treated for these purposes as ceasing to be part of any consolidated or combined group of the Sellers or its Affiliates as of the end of the day on the Closing Date, except with respect to extraordinary transactions or events occurring after the Closing but before the end of the day on the Closing Date.

(b) Buyer shall (i) prepare and timely file (or cause to be prepared and filed) all Tax Returns of the Company and the Subsidiaries, as required to be filed after the Closing Date other than those Tax Returns described in Section 8.1(a), and (ii) timely pay all Taxes due with respect thereto. To the extent any such Tax Return includes a Pre-Closing Tax Period or is a return for which the Sellers could otherwise have an indemnification obligation pursuant to Article VII, Buyer shall (x) prepare such Tax Returns consistent with past practices unless a contrary position is required by applicable Laws and Regulations, (y) allow Sellers a reasonable time, and in no event less than twenty (20) Business Days for any Income Tax Return, to review and comment on the Tax Returns prior to filing, and (z) not file such Tax Returns without Sellers' prior consent, which shall not be unreasonably withheld, conditioned or delayed. Sellers shall reimburse Buyer for the portion of the Taxes shown as due on any Straddle Period Tax Return that are attributable to the Pre-Closing Tax Period on or before the later of ten (10) Business Days after request from Buyer for such reimbursement and five (5) Business Days before such tax is due and payable.

(c) For purposes of this Agreement, in the case of any Straddle Period, the amount of Taxes attributable to the Pre-Closing Period shall be calculated as follows: (i) in the case of any Taxes that are based upon or measured by income, receipts, profits or wages, that are imposed in connection with the sale or other transfer of property or services, or that are required to be withheld and collected, the amount of such Taxes that are attributable to the Pre-Closing Tax Period shall be determined on the basis of a closing of the books as of the end of the Closing Date (and for such purpose, the taxable period of any partnership or other pass-through entity in which the Company or any of the Subsidiaries holds a beneficial interest shall to the extent practical be deemed to terminate at such time); and (ii) in the case of other Taxes, the amount of such Taxes that are attributable to the Pre-Closing Tax Period shall equal the amount of such Tax for the entire taxable period multiplied by a fraction, the numerator of which is the number of days in the taxable period through and including the Closing Date, and the denominator of which is the total number of days in the taxable period.

(d) Neither Buyer nor any of its Affiliates shall file any amended Tax Return for or including any Pre-Closing Tax Period without Sellers' consent.

8.2 Cooperation on Tax Matters. Sellers, Company and Buyer shall reasonably cooperate, and shall cause their respective Affiliates, officers, employees, agents, auditors and other representatives reasonably to cooperate, in preparing, executing and filing all Tax Returns relating to the Company and any of the Subsidiaries and in resolving all disputes and audits relating to Taxes of the Company and any of the Subsidiaries. Such cooperation shall include maintaining and making available to each other all records relating to Taxes of the Company or any Subsidiary and making employees available on a mutually convenient basis to provide additional information or explanation of any materials provided hereunder or to testify at any proceedings relating to Taxes of the Company or any Subsidiary. Sellers and Buyer agree (a) to retain all books and records with respect to Tax matters pertinent to the Company and any of the Subsidiaries relating to any Tax Period beginning before the Closing Date until the applicable statute of limitations (as may be extended) has expired and to abide by all record retention agreements entered into with any Governmental Entity; and (b) to allow the other Party and its representatives at times and dates mutually acceptable to the Parties, to inspect, review and make copies of such records as such Party may deem necessary or appropriate from time to time, such activities to be conducted during normal business hours at such Party's expense.

8.3 Transfer Taxes. All Transfer Taxes incurred in connection with Buyer's acquisition of the Membership Interests shall be borne equally among the Buyer and Sellers. To the extent a Seller pays any Transfer Tax for which it is not liable under this Section 8.3, the Buyer shall reimburse the relevant Seller for such Transfer Tax within ten (10) Business Days of delivery to the Buyer of evidence of payment of such Transfer Tax to the applicable Governmental Entity. Notwithstanding anything to the contrary in this Agreement, any refund of Transfer Taxes is for the benefit of the Party who paid the Taxes (whether directly or by way of reimbursing the other Party) and, if applicable, shall be paid over to the Party within the (10) Business Days of another Party's receipt of the refund.

8.4 Tax Refunds. Any Tax refunds (whether by payment, credit, offset, reduction in Tax or otherwise) relating to any Pre-Closing Tax Period received after the Closing Date by Buyer, the Company or any of their Affiliates (as determined after the Closing Date) shall be for the account of Sellers, and Buyer shall pay over to Sellers the amount of any such refund within ten (10) Business Days after its receipt.

8.5 Tax Effect. Sellers acknowledge that Buyer has not made any representations regarding the tax effect on Sellers of the transactions set forth in this Agreement, and that other than as set forth above, Buyer has no obligation to Sellers with respect to any taxes Sellers may incur in connection with the transaction set forth in this Agreement.

ARTICLE IX- TERMINATION

9.1 Termination of Agreement. This Agreement may be terminated prior to the Closing as provided below:

(a) the Parties may terminate this Agreement by mutual written consent;

(b) the Buyer may terminate this Agreement by giving written notice to the Sellers in the event any Seller or the Company is in breach of any representation, warranty or covenant contained in this Agreement, and such breach, individually or in combination with any other such breach, (i) would cause the conditions set forth in clauses (a), (b) or (c) of Section 6.1 not to be satisfied and (ii) is not cured within fifteen (15) calendar days following delivery by the Buyer to the Sellers of written notice of such breach;

(c) the Sellers may terminate this Agreement by giving written notice to the Buyer in the event the Buyer is in breach of any representation, warranty or covenant contained in this Agreement, and such breach, individually or in combination with any other such breach, (i) would cause the conditions set forth in clauses (a) or (b) of Section 6.2 not to be satisfied and (ii) is not cured within fifteen (15) calendar days following delivery by the Sellers to the Buyer of written notice of such breach;

(d) the Buyer may terminate this Agreement by giving written notice to the Sellers if the Closing shall not have occurred on or before October 15, 2014, by reason of the failure of any condition precedent under Section 6.1 (unless the failure results primarily from a breach by the Buyer of any representation, warranty or covenant contained in this Agreement);

(e) the Sellers may terminate this Agreement by giving written notice to the Buyer if the Closing shall not have occurred on or before October 15, 2014, by reason of the failure of any condition precedent under Section 6.2 (unless the failure results primarily from a breach by a Seller or the Company of any representation, warranty or covenant contained in this Agreement).

9.2 Effect of Termination. If any Party terminates this Agreement pursuant to Section 9.1, all obligations of the Parties hereunder shall terminate without any Liability of any Party to any other Party (except for any Liability of any Party for willful or knowing breaches of this Agreement or for breaches of Sections 5.5 or 5.6).

ARTICLE X- DEFINITIONS
