WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

ISSUANCE OF UP TO 10,000,000 SHARES OF COMMON STOCK

On November 14, 2014, the Company entered into a Securities Purchase Agreement, a copy of which is attached hereto as Appendix B (the "Agreement") with certain individuals who collectively have subscribed to purchase a total of 200,000 shares of Preferred Stock from the Company for a total purchase price of \$2,000,000, which purchase price is being held in escrow pending a closing of the transactions set forth in the Agreement. The Preferred Stock was designated by the Company on November 14, 2014 through the filing of a Certificate of Designation of Series A Convertible Preferred Stock with the Illinois Secretary of State, a copy of which is attached hereto as Appendix C (the "Designation"). Each share of Preferred Stock is initially convertible, at the election of the holder, into 50 shares of the Company's Common Stock. The foregoing conversion ratio is subject to standard adjustment mechanisms, as set forth in the Designation. The Designation provides the holders of the Preferred Stock with certain other preferences and rights, including, but not limited to:

1. The right to receive cumulative compounding dividends in the amount of 8% of the liquidation value of the Preferred Stock, per annum, payable in cash or additional shares of Preferred Stock, if and when declared by our Board;
2. The right to participate, on an as converted basis, in any distributions or dividends the Company declares on its Common Stock;
3. The right to a liquidation preference, over the holders of the Company's Common Stock, equal to the liquidation value of the Preferred Stock plus all accrued and unpaid dividends thereon, and thereafter to participate, on an as converted basis, with the holders of the Company's Common Stock in all additional distributions;
4. The right to appoint two directors to the Company's Board of Directors;
5. The right to vote, as a single class, on an as converted basis, with the holders of the Company's Common Stock on all matters submitted to a vote of the holders of the Company's Common Stock; and
6. The Company may not take several actions, as set forth in Section 6.3 of the Designation, without the prior approval of the holders of a majority of the outstanding shares of Preferred Stock.

Further, the Agreement provides the holders of the Preferred Stock with certain additional rights, including, but not limited to:

A. Demand and piggy back registration rights;

B. The right to certain monthly and quarterly financial and business information regarding the Company;

C. A pro rata under-subscription right, based on their percentage of fully diluted equity interest in the Company, to participate in subsequent underwritten public offerings of the Company up to the total number of shares being offered;

D. In the event that any of members of the Company's board of directors and existing executive management team propose to sell their stock to third parties, the Company shall have the first right to purchase the securities on substantially the same terms as the proposed sale; and the holders of the Preferred Stock shall next have said right, according to their respective percentage ownership of the outstanding shares of Preferred Stock, or to sell a proportionate percentage of their shares of Preferred Stock pursuant to co-sale rights, subject to applicable law.

The parties to the Agreement have provided customary representations and warranties, and the Agreement contains customary conditions to closing.

This summary of the material terms of the Agreement and the Designation are qualified in their entirety by reference to the Agreement and Designation, which are attached to this Information Statement as Appendix B and Appendix C, respectively.

REQUIREMENT OF OBTAINING SHAREHOLDER APPROVAL

The Company's Common Stock is listed and traded on the NYSE MKT under the symbol "JOB." The NYSE MKT rules require the prior approval of the holders of a majority of the outstanding shares of the Common Stock to any issuer transaction that could result in the issuance of greater than or equal to 20 percent of the number of shares of Common Stock outstanding immediately before such issuance. Section 7.10 of the IBCA and our organizational documents permit any action that may be taken at a meeting of the shareholders to be taken by written consent by the holders of the number of shares of voting stock required to approve the action at a meeting.

The Company currently has outstanding 25,899,675 shares of Common Stock. Therefore, under NYSE MKT rules, the issuance or potential issuance of greater than 5,179,935 shares of Common Stock requires prior shareholder approval. Under the Agreement, the Company proposes to issue 200,000 shares of Preferred Stock that are initially convertible into 10,000,000 shares of Common Stock. As such, the Company is required to obtain prior shareholder approval of the potential issuance of Common Stock underlying the Preferred Stock being sold under the Agreement. On November 14, 2014, two shareholders that hold a majority of the Company's outstanding Common Stock approved the Agreement, the transactions set forth in the Agreement and the issuances of securities as set forth in the Agreement. The foregoing transactions were approved by our Board on November 13, 2014.

This Information Statement is being mailed on or about November 13, 2014, to shareholders of record on November 14, 2014. The closing of the transactions set forth in the Agreement, and the taking of the actions described in this Information Statement, will not become effective until the 21st day after the Information Statement is mailed to our shareholders.

Forward Looking Statements

Various statements contained in or incorporated by reference into this Information Statement that express a belief, expectation, or intention, or that are not statements of historical fact, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 (the "Securities Act") and Section 21E of the Exchange Act. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control. All statements, other than statements of historical fact, are forward-looking statements. When used in this Information Statement, the words "could," "believe," "anticipate," "intend," "estimate," "expect," "may,"

“continue,” “predict,” “potential,” “project,” and similar expressions are intended to identify forward looking statements, although not all forward looking statements contain such identifying words. Although we believe that the expectations reflected in these forward-looking statements are reasonable, they do involve certain assumptions, risks and uncertainties. Actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors.

NO ACTION IS REQUIRED

Other than the shareholder written consent described above, no other votes are necessary or required to effectuate the transactions described in this Information Statement. The Company anticipates that the shareholder consent described in this Information Statement will become effective on or promptly after December 31, 2014.

Effects of the Proposed Issuance

In recent years, broad stock market indices, in general, and smaller capitalization companies, in particular, have experienced substantial price fluctuations. The issuance of a significant amount of Common Stock may further adversely affect the price of the Common Stock. The influx of such a substantial number of common shares into the public market could have a significant negative effect on the trading price of the Common Stock. As of October 15, 2014, approximately 25.9 million shares of Common Stock were outstanding. An additional approximate 10 million shares of Common Stock would be outstanding if the holders of the 200,000 shares of Preferred Stock subscribed for under the Agreement elect to convert their Preferred Stock to Common Stock at the initial conversion rate of 50 shares of Common Stock for 1 share of Preferred Stock. Issuance of these shares of Common Stock may substantially dilute the ownership interests of our existing shareholders. The potential issuance of such additional shares of Common Stock may create downward pressure on the trading price of our Common Stock. After issuance, the holders of Preferred Stock will vote on an as converted basis with the holders of our outstanding Common Stock on all matters submitted to the holders of the Common Stock.

No Dissenter’s Rights

The corporate action described in this Information Statement will not afford to our shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

These shareholders collectively, and Mr. Schroering individually, have significant influence over the Company’s business affairs, with the ability to control matters requiring approval by the Company’s shareholders, including the written consent set forth in this Information Statement.

3.6 No Material Adverse Change. Since December 31, 2013, except as identified and described in the SEC Reports (as defined below) or in Schedule 3.6, there has not been:

(a) any change in the assets, liabilities, financial condition or operating results of the Company from that reflected in the financial statements included in the Company’s Quarterly Report on Form 10-Q for the period ended June 30, 2014 except for changes in the ordinary course of business which have not had and could not reasonably be expected to have a Material Adverse

(l) any other event or condition of any character that has had or could reasonably be expected to have a Material Adverse Effect.

Exchange Commission (“SEC”) since December 31, 2012 (collectively, the “SEC Reports”). All statements, reports, schedules, forms and other documents required to have been filed by the Company with the SEC have been so filed. Assuming the accuracy of the representations and warranties of each Purchaser (and all other Purchasers in this Offering), set forth in Section 4 of this Agreement, the offer and sale of the Preferred Shares will constitute an exempted transaction under the Securities Act, and registration of the Preferred Shares under the Securities Act for issuance herein (or of the shares of Common Stock for issuance upon conversion of the Preferred Shares) is not required. The Company shall make such filings as may be necessary to comply with the federal securities laws and the “blue sky” laws of any state in connection with the offer and sale of the Preferred Shares, which filings will be made in a timely manner.

3.9 Tax Matters. Except as set forth on Schedule 3.9, the Company has timely prepared and filed all tax returns required to have been filed by the Company with all appropriate governmental agencies and timely paid all taxes shown thereon or otherwise owed by it. The charges, accruals and reserves on the books of the Company in respect of taxes for all fiscal periods are adequate in all material respects, and there are no material unpaid assessments against the Company nor, to the Company’s Knowledge, any basis for the assessment of any additional taxes, penalties or interest for any fiscal period or audits by any federal, state or local taxing authority except for any assessment which is not material to the Company, taken as a whole. All taxes and other assessments and levies that the Company is required to withhold or to collect for payment have been duly withheld and collected and paid to the proper governmental entity or third party when due. There are no tax liens or claims pending or, to the Company’s Knowledge, threatened against the Company or any of its assets or property. (c) The Company owns or has the valid right to use all of the intellectual property that is necessary for the conduct of the Company's business as currently conducted and for the ownership, maintenance and operation of the Company's properties and assets, free and clear of all liens, encumbrances, adverse claims or obligations to license all such owned intellectual property and confidential information, other than licenses entered into in the ordinary course of the Company's business. The Company has a valid and enforceable right to use all third party intellectual property and confidential information used or held for use in the business of the Company.

(d) To the Company's Knowledge, the conduct of the Company's business as currently conducted does not infringe or otherwise impair or conflict with (collectively, "**Infringe**") any intellectual property rights of any third party or any confidentiality obligation owed to a third party, and, to the Company's Knowledge, the intellectual property and confidential information of the Company which are necessary for the conduct of the Company's business as currently conducted are not being Infringed by any third party. There is no litigation or order pending or outstanding or, to the Company's Knowledge, threatened or imminent, that seeks to limit or challenge or that concerns the ownership, use, validity or enforceability of any intellectual property or confidential information of the Company and the Company's use of any intellectual property or confidential information owned by a third party, and, to the Company's Knowledge, there is no valid basis for the same.

(e) The consummation of the transactions contemplated hereby and by the other Transaction Documents will not result in the alteration, loss, impairment of or restriction on the Company's ownership or right to use any of the intellectual property or confidential information which is necessary for the conduct of the Company's business as currently conducted.

(f) The Company has taken reasonable steps to protect the Company's rights in its intellectual property and confidential information. To the Company's Knowledge there has been no material disclosure of any confidential information to any third party.

3.13 Litigation. Except as disclosed in Schedule 3.13, there are no pending material actions, suits or proceedings against or affecting the Company, or any of its properties; and to the Company's Knowledge, no such actions, suits or proceedings are threatened or contemplated against the Company.

3.14 No Directed Selling Efforts or General Solicitation. Neither the Company nor any of its Affiliates, nor to the Company's knowledge, any Person, as defined below, acting on its behalf has conducted any general solicitation or general advertising (as those terms are used in Regulation D of the Securities Act) in connection with the offer or sale of any of the Preferred Shares being offered in this Offering. "**Person**" means any individual, corporation, company, limited liability company, partnership, limited liability partnership, trust, estate, proprietorship, joint venture, association, organization or entity.

3.15 No Integrated Offering. Neither the Company nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any Company security or solicited any offers to buy any security, under circumstances that would adversely affect reliance by the Company on Section 4(a)(2) for the exemption from registration for the transactions contemplated hereby or would require registration of the Preferred Shares under the Securities Act. For purposes of this Agreement, "**Affiliate**" means, with respect to any Person, any other Person which directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with, such Person.

3.16 Questionable Payments. To the best of Company's Knowledge, none of its current or former stockholders, directors, officers, employees, agents or other Persons acting on behalf of the Company, has on behalf of the Company or in connection with its business: (a) used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity; (b) made any direct or indirect unlawful payments to any governmental officials or employees from corporate funds; (c) established or maintained any unlawful or unrecorded fund of corporate monies or other assets; (d) made any false or fictitious entries on the books and records of the Company; or (e) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment of any nature.

Except as disclosed in the SEC Reports, none of the officers or directors of the Company and, to the Company's Knowledge, none of the employees of the Company is presently a party to any transaction with the Company (other than as holders of stock options and/or warrants, and for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or

personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the Company's Knowledge, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

3.18 Internal Controls. Except as set forth in the SEC Reports, the Company is in material compliance with the provisions of the Sarbanes-Oxley Act of 2002 currently applicable to the Company except where such noncompliance could not have or reasonably be expected to result in a Material Adverse Effect. The Company maintains, and will use commercially reasonable best efforts to continue to maintain, a system of internal accounting controls sufficient to provide reasonable assurance that (a) transactions are executed in accordance with management's general or specific authorizations, (b) transactions are recorded as necessary to permit preparation of financial statements and to maintain asset accountability both in conformity with GAAP and the applicable provisions of the 1934 Act, (c) access to assets is permitted only in accordance with management's general or specific authorization, and (d) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as set forth in the SEC Reports, the Company has established disclosure controls and procedures (as defined in the 1934 Act Rules 13a-14 and 15d-14) and designed such disclosure controls and procedures to ensure that material information relating to the Company, including the subsidiaries, is made known to the certifying officers by others within those entities, particularly during the period in which the Company's most recently filed period report under the 1934 Act, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of the end of the period covered by the most recently filed periodic report under the 1934 Act (such date, the "**Evaluation Date**"). The Company presented in its most recently filed periodic report under the 1934 Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as such term is defined in Item 308 of Regulation S-K for smaller reporting companies) or, to the Company's Knowledge, in other factors that could significantly affect the Company's internal controls.

3.19 Disclosures. Neither the Company nor any Person acting on its behalf has provided the Purchasers or their agents or counsel with any information that constitutes or might constitute material, non-public information. The written materials delivered to the Purchasers in connection with the transactions contemplated by the Transaction Documents do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

3.20 No Market Manipulation. The Company and its Affiliates have not taken, and will not take, directly or indirectly, any action designed to, or that might reasonably be expected to, cause or result in stabilization or manipulation of the price of the Common Stock to facilitate the sale or resale of the Preferred Shares or affect the price at which the Preferred Shares may be issued or resold.

3.21 Information Concerning Company. The SEC Reports and Transaction Documents contain all material information relating to the Company and its operations and financial condition as of their respective dates which information is required to be disclosed therein. Since the date of the financial statements included in the SEC Reports, and except as modified in the Transaction Documents, or in the Schedules hereto, there has been no Material Adverse Effect relating to the Company's business, financial condition or affairs not disclosed in the SEC Reports. The SEC Reports do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, taken as a whole, not misleading in light of the circumstances when made.

3.22 Stop Transfer. The Company will not issue any stop transfer order or other order impeding the sale, resale or delivery of any of the Preferred Shares, except as may be required by any applicable federal or state securities laws and unless contemporaneous notice of such instruction is given to the affected Purchaser.

3.23 Dilution. The Company's executive officers and directors understand the nature of the Preferred Shares being sold hereby and recognize that the issuance of the Preferred Shares will have a potential dilutive effect on the equity holdings of other holders of the Company's equity or rights to receive equity of the Company. The board of directors of the Company has concluded, in its good faith business judgment that the issuance of the Preferred Shares is in the best interests of the Company. The Company specifically acknowledges that its obligation to issue the Preferred Shares and the shares of Common Stock upon conversion of the Preferred Shares, is binding upon the Company and enforceable regardless of the dilution such issuance may have on the ownership interests of other shareholders of the Company or parties entitled to receive equity of the Company.

3.24 Foreign Corrupt Practices. Neither the Company, nor to the Knowledge of the Company, any agent or other Person acting on behalf of the Company, has (a) directly or indirectly, used any funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (b) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (c) failed to disclose fully any contribution made by the Company (or made by any person acting on its behalf of which the Company is aware) which is in violation of law, or (d) violated in any material respect any provision of the Foreign Corrupt Practices Act of 1977, as amended.

3.25 OFAC. Neither Company, nor to the Company's Knowledge, any director, officer, agent, employee, Affiliate or Person acting on behalf of the same, is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC"); and the Company will not directly or indirectly use the proceeds of the sale of the Preferred Shares, or lend, contribute or otherwise make available such proceeds to joint venture partner or other Person, towards any sales or operations in Cuba, Iran, Syria, Sudan, Myanmar or any other country sanctioned by OFAC or for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

3.26 Anti-Money Laundering. The operations of the Company have been conducted at all times in compliance with the money laundering requirements of all applicable governmental authorities and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental authority (collectively, the "Money Laundering Laws") and no action, suit or proceeding by or before any court or governmental authority or any arbitrator involving Company with respect to the Money Laundering Laws is pending or, to the Company's Knowledge, threatened.

3.27 Third Party Beneficiaries. The Company acknowledges that the Purchasers, and their investors or managers, if applicable, are direct intended beneficiaries of the representations, warranties and covenants made hereby and in the other Transaction Documents by the Company.

4. REPRESENTATIONS AND WARRANTIES OF EACH PURCHASER.

Each Purchaser individually and not jointly hereby represents warrants and covenants with the Company as follows. For avoidance of doubt, these warranties and representations are made to the Company and their agents and representatives and Affiliates and other members of the selling group (if any) and their representatives and Affiliates, as third party beneficiaries hereto:

4.1 Legal Power. Purchaser has the individual, trust, corporate or the limited liability company power, as applicable, and is authorized to enter into this Agreement, to purchase the Preferred Shares and to carry out and perform Purchaser's obligations under the terms of this Agreement or any other Transaction Documents to which it is a party.

4.2 Due Execution. The execution and performance of the terms under this Agreement and the Accredited Investor Questionnaire, if any, provided to Purchaser under separate cover (the “**Questionnaire**”) and the Purchaser signature page hereto, have been duly authorized, executed and delivered by such Purchaser, and, upon due execution and delivery by the Company, this Agreement will be a valid and binding agreement of such Purchaser.

4.3 Access to Information. **Purchaser understands that an investment in the Shares involves a high degree of risk and long term or permanent illiquidity, including, risk of loss of their entire investment.** Purchaser and its members and manager, if applicable, have been given full and complete access to the Company for the purpose of obtaining such information as such Purchaser or its qualified representative has reasonably requested in connection with the decision to purchase the Preferred Shares. Purchaser represents that such Purchaser and its investors have received and reviewed copies of the SEC Reports. Purchaser represents that such Purchaser has been afforded the opportunity to ask questions of the officers of the Company regarding its business prospects and the Preferred Shares, all as Purchaser (or Purchaser’s investor’s representatives) has deemed necessary to make an informed investment decision to purchase the Preferred Shares.

4.4 Restricted Securities.

(a) Purchaser has been advised that none of the Preferred Shares have been registered under the Securities Act or any other applicable securities laws and that the Preferred Shares are being offered and sold pursuant to Section 4(a)(2) of the Securities Act and/or Rule 506 of Regulation D, and that the Company’s reliance upon Section 4(a)(2) and/or Rule 506 of Regulation D is predicated in part on such Purchaser representations as contained herein, which are partially dependent on the information provided by Purchasers’ investors, if applicable. Each Purchaser acknowledges that the Preferred Shares will be issued as “restricted securities” as defined by Rule 144 promulgated pursuant to the Securities Act. None of the Preferred Shares may be resold in the absence of an effective registration thereof under the Securities Act and applicable state securities laws unless, in the opinion of counsel reasonably satisfactory to the Company, an applicable exemption from registration is available.

(b) Each Purchaser represents that such Purchaser is acquiring the Preferred Shares for such Purchaser’s own account, and not as nominee or agent, for investment purposes only and not with a view to, or for sale in connection with, a distribution, as that term is used in Section 2(11) of the Securities Act, in a manner which would require registration under the Securities Act or any state securities laws.

(c) Each Purchaser understands and acknowledges that the certificates representing the Preferred Shares and, if issued, the shares of Common Stock resulting from the conversion of the Preferred Shares, will bear substantially the following legend:

“THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**ACT**”), OR APPLICABLE STATE LAW, AND NO INTEREST THEREIN MAY BE SOLD, DISTRIBUTED, ASSIGNED, OFFERED, PLEDGED OR OTHERWISE TRANSFERRED UNLESS (i) THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS

COVERING ANY SUCH TRANSACTION INVOLVING SAID SECURITIES, (ii) THE COMPANY RECEIVES AN OPINION OF LEGAL COUNSEL REASONABLY SATISFACTORY TO THE COMPANY STATING THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION, OR (iii) THE COMPANY OTHERWISE SATISFIES ITSELF THAT SUCH TRANSACTION IS EXEMPT FROM REGISTRATION.”

(d) Each Purchaser acknowledges that an investment in the Preferred Shares and (and, if the Preferred Shares are converted, the shares of Common Stock that the Preferred Shares will convert to) is not liquid and is transferable only under limited conditions. Each Purchaser acknowledges that such securities must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Purchaser is aware of the provisions of Rule 144 promulgated under the Securities Act, which permits limited resale of restricted securities subject to the satisfaction of certain conditions and that such Rule is not now available and, in the future, may not become available for resale of any of the Preferred Shares or the shares of Common Stock resulting from the conversion thereof.

4.5 Purchaser Sophistication and Ability to Bear Risk of Loss. Purchaser acknowledges that Purchaser is an accredited investor as that term is defined in Regulation D of the Securities Exchange Act, and is able to protect its interests in connection with the acquisition of the Preferred Shares and can bear the economic risk of investment in such securities without producing a material adverse change in such Purchaser’s financial condition. Purchaser, either alone or with such Purchaser’s representative(s), otherwise has such knowledge and experience in financial or business matters that such Purchaser is capable of evaluating the merits and risks of the investment in the Preferred Shares.

4.6 Purchases by Groups. Purchaser understands that it may be acquiring greater than 5% of the Company’s outstanding equity shares and, if so, Purchaser will be required to file disclosure reports pursuant to Section 13 and Section 16 of the Rules of the 1934 Act. Notwithstanding the foregoing, it is understood that any fund or entity purchaser may result in more than one Person having beneficial ownership of the underlying securities. The Company shall cooperate with Purchaser in providing any information necessary to prepare and file the foregoing reports.

4.7 No Advertising. Each Purchaser has not received any general solicitation or advertising regarding the offer of the Shares.

4.8 Public Statements. The Purchaser agrees not to issue any public statement with respect to the Offering, Purchaser’s investment or proposed investment in the Company or the terms of any agreement or covenant between them and the Company without the Company’s prior written consent, except such disclosures as may be required under applicable law.

4.9 Acceptance or Rejection. The Purchaser understands, acknowledges and agrees with the Company that this subscription may be rejected, in whole or in part, by the Company, in the sole and absolute discretion of the Company, at any time before any Closing notwithstanding prior receipt by the Purchaser of notice of acceptance of the Purchaser’s subscription, *provided, however*, that a full refund of any part of the Purchase Price tendered shall be a condition to such rejection, and provided further, however, that no Closing shall occur absent specific written consent and disbursement instructions of the Purchaser to the Company.

4.10 Confidential. Each Purchaser acknowledges that the information made available to the Purchaser, other than the information contained in the SEC Reports, is confidential and non-public

and agrees that all such information shall be kept in confidence by Purchaser and neither used by the Purchaser for the Purchaser's personal benefit (other than in connection with this subscription) nor disclosed to any third party for any reason, notwithstanding that Purchaser's subscription may not be accepted by the Company or a Closing may not occur for any reason if not consented to by Purchaser; *provided, however,* that (a) the Purchaser may disclose such information to its Affiliates and advisors who may have a need for such information in connection with providing advice to the Purchaser with respect to its investment in the Company so long as such Affiliates and advisors have an obligation of confidentiality, and (b) this obligation shall not apply to any such information that (i) is part of the public knowledge or literature and readily accessible at the date hereof, (ii) becomes part of the public knowledge or literature and readily accessible by publication (except as a result of a breach of this provision), (iii) is being disclosed pursuant to a subpoena or court order or is otherwise required to be provided by law, or (iv) is received from third parties without an obligation of confidentiality (except third parties who disclose such information in violation of any confidentiality agreements or obligations, including, without limitation, any subscription or other similar agreement entered into with the Company).

4.11 Reliance. Each Purchaser understands that the Preferred Shares being offered and sold to Purchaser in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Purchaser's compliance with, the representations, warranties, agreements, acknowledgements and understandings of such Purchaser set forth herein in order to determine the availability of such exemptions and the eligibility of such Purchaser to acquire the Preferred Shares.

4.12 NYSE MKT Listing. Each Purchaser understands that the Company has received notice of delisting from the NYSE MKT which stated, among other things, that the Company has equity less than \$4 million and has sustained losses from continuing operations and/or net losses in three of its four most recent fiscal years and, in the opinion of NYSE MKT, it is questionable as to whether the Company will be able to continue operations and/or meet its obligations as they mature based on its current overall financial condition, pursuant to Sections 1003(a)(ii) and 1003(a)(iv) of the NYSE MKT's Company Guide, respectively.

5. COVENANTS OF COMPANY.

5.1 Certain Covenants of the Company. While any Preferred Shares are outstanding, the Company will:

In addition, the Company will provide the holders of the Preferred Shares with unaudited monthly and quarterly and audited yearly financial statements, as well as an annual budget.

5.2 Payment for Legal Opinions and Removal of Legends. The Company shall cover all costs associated with removal of any securities act restrictive legends, including, without limitation, the cost of replacement certificates and opinion or letter of Company counsel to the transfer agent, as well as delivery costs, for all Preferred Shares being sold in this Offering and the shares of Common Stock that the Preferred Shares may be converted into.

5.6 Filing of Reports. For so long as the Purchasers own 51% or more of the Preferred Shares (or shares of Common Stock assuming conversion of the Preferred Shares) acquired hereby, the Company shall file on a timely basis, any and all SEC Reports or amendments thereto, as it is required to file in order to remain fully current with all of its reporting obligations under the Exchange Act so as to enable sales without resale limitations, pursuant to Rule 144, as amended ("**Rule 144 Sales**"). The Company shall pay for all opinions or similar letters to its transfer agent, as well as pay for all transfer agent costs, relating to the removal of the Rule 144 restrictive legend on share certificates representing the Preferred Shares or shares of Common Stock resulting from the conversion of the Preferred Shares. For avoidance of doubt, all references herein to filings to be made on a "timely basis" shall include and mean, any extension periods permissible under Rule 12b-25 of the Exchange Act, provided that the Company has complied with such rule, but not beyond said extension date.

6. COVENANTS OF THE COMPANY AND PURCHASER RELATING TO REGISTRATION.

6.1 Use of Proceeds. The Company shall also *at or before* closing pay to their stock transfer agent the cost of all Preferred Share certificates anticipated to be issued. The Company intends to employ the remaining net proceeds (i.e. after all legal costs, offering costs, etc.) from the purchase and sale of the Shares for purposes of working capital, marketing, acquisitions, expansion and to further the operations of the Company only.

6.2 Registration Rights. For purposes of this Section 6.2, all references to the Purchasers shall be deemed to mean and include, the Purchasers, and their respective assigns as holders of the Preferred Shares or shares of Common Stock issued upon conversion thereof (the “**Registrable Securities**”). These securities shall no longer be deemed Registrable Securities at such time as said securities are eligible for re-sale without volume limitations pursuant to Rule 144 of the Securities Act.

(a) Registration. Beginning not sooner than one year after the last Closing contemplated hereunder, if the holders of at least fifty-one percent (51%) of the Preferred Shares (including holders of equivalent shares of Common Stock issued upon conversion thereof) approve, and if the Company has not previously nor is currently eligible to file a Form S-3 registration statement, nor have “piggyback” registration rights been available nor utilized, the holders of the Preferred Shares will have the right to demand, and upon such demand the Company shall file with the SEC, an “S-1” registration statement or its successor form or equivalent with an aggregate minimum gross offering price of at least \$1,000,000, upon customary terms and conditions. The Company will not be obligated to file more than one such registration statement during any six-month period.

The Company hereby agrees and covenants to use best efforts to obtain effectiveness of said registration statements (if any), and to maintain effectiveness of the same, continually for at least 1 year following the effective date thereof.

(b) Registration Process. In connection with the registration of the Registrable Securities pursuant to Section 6.2(a), the Company shall:

(i) Prepare and file with the SEC the Registration Statement and such amendments (including post effective amendments) to the Registration Statement and supplements to the prospectus included therein (a “**Prospectus**”) as the Company may deem necessary or appropriate and take all lawful action such that the Registration Statement and any amendment thereto does not, when

it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, not misleading and that the Prospectus forming part of the Registration Statement, and any amendment or supplement thereto, does not at any time during the period commencing on the effective date of the Registration Statement and ending on the date on which all of the Registrable Securities may be sold to the public without registration under the Securities Act in reliance on Rule 144 (the “**Registration Period**”) include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(ii) Comply with the provisions of the Securities Act with respect to the Registrable Securities covered by the Registration Statement until the earlier of (A) such time as all of such Registrable Securities have been disposed of in accordance with the intended methods of disposition by each Purchaser as set forth in the Prospectus forming part of the Registration Statement or (B) the date on which the Registration Statement is withdrawn;

(iii) Furnish to each Purchaser and its legal counsel identified to the Company (A) promptly after the same is prepared and publicly distributed, filed with the SEC, or received by the Company, one copy of the Registration Statement, each Prospectus, and each amendment or supplement thereto, and (B) such number of copies of the Prospectus and all amendments and supplements thereto and such other documents, as the Purchaser may reasonably request in order to facilitate the disposition of the Registrable Securities;

(iv) Register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions as the Purchasers reasonably request, prepare and file in such jurisdictions such amendments (including post effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof at all times during the Registration Period, take all such other lawful actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and take all such other lawful actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (A) qualify to do business in any jurisdiction where it would not otherwise be required to qualify, (B) subject itself to general taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(v) As promptly as practicable after becoming aware of such event, notify each Purchaser of the occurrence of any event, as a result of which the Prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare an amendment to the Registration Statement and supplement to the Prospectus to correct such untrue statement or omission, and deliver a number of copies of such supplement and amendment to each Purchaser as such Purchaser may reasonably request;

(vi) As promptly as practicable after becoming aware of such event, notify each Purchaser (or, in the event of an underwritten offering, the managing underwriters) of the issuance by the SEC of any stop order or other suspension of the effectiveness of the Registration Statement and take all lawful action to effect the withdrawal, rescission or removal of such stop order or other suspension;

(vii) Take all such other lawful actions reasonably necessary to expedite and facilitate the disposition by the Purchaser of its Registrable Securities in accordance with the intended methods therefor provided in the Prospectus which are customary under the circumstances; and

(viii) Cooperate with the Purchasers to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold pursuant to the Registration Statement, which certificates shall, if required under the terms of this Agreement, be free of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any Purchaser may request and maintain a transfer agent for the Registrable Securities.

(c) Obligations and Acknowledgements of the Purchasers. In connection with the registration of the Registrable Securities, each Purchaser shall have the following obligations and hereby make the following acknowledgements:

(i) It shall be a condition precedent to the obligations of the Company to include the Registrable Securities in the Registration Statement that each Purchaser wishing to participate in the Registration Statement (A) shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and (B) shall execute such documents in connection with such registration as the Company may reasonably request. Prior to the first anticipated filing date of a Registration Statement, the Company shall notify each Purchaser of the information the Company requires from such Purchaser (the “**Requested Information**”) if such Purchaser elects to have any of its Registrable Securities included in the Registration Statement. If a Purchaser notifies the Company and provides the Company the information required hereby prior to the time the Registration Statement is declared effective, the Company will file an amendment to the Registration Statement that includes the Registrable Securities of such Purchaser *provided, however*, that the Company shall not be required to file such amendment to the Registration Statement at any time less than five (5) business days prior to the effective date.

(ii) Each Purchaser agrees to cooperate with the Company in connection with the preparation and filing of a Registration Statement hereunder, unless such Purchaser has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement;

(iii) Each Purchaser agrees that, upon receipt of any notice from the Company of the occurrence of any event of the kind described in Section 6.2(b)(v) or 6.2(b)(vi), such Purchaser shall immediately discontinue its disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until the Purchaser’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6.2(b)(v) and, if so directed by the Company, the Purchaser shall deliver to the Company (at the expense of the Company) or destroy (and deliver to the Company a certificate of destruction) all copies in the Purchaser’s possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice; and

(iv) Each Purchaser acknowledges that it may be deemed to be a statutory underwriter within the meaning of the Securities Act with respect to the Registrable Securities being registered for resale by it, and if a Purchaser includes Registrable Securities for offer and sale within a Registration Statement such Purchaser hereby consents to the inclusion in such Registration Statement of a disclosure to such effect.

(d) Expenses of Registration. All expenses incurred in connection with registrations, filings or qualifications pursuant to this Section 6.2, including, without limitation, all registration, listing, and qualifications fees, printing and engraving fees, accounting fees, underwriting discounts and the fees and disbursements of legal counsel, shall be borne by the Company.

(e) Indemnification and Contribution.

(i) Indemnification by the Company. The Company shall indemnify and hold harmless each Purchaser and each underwriter, if any, which facilitates the disposition of Registrable Securities, and each of their respective officers and directors and each Person who controls such underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the 1934 Act (each such Person being sometimes hereinafter referred to as an “**Indemnified Person**”) from and against any losses, claims, damages or liabilities, joint or several, to which such Indemnified Person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, not misleading, or arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Prospectus or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company hereby agrees to reimburse such Indemnified Person for all reasonable legal and other expenses incurred by them in connection with investigating or defending any such action or claim as and when such expenses are incurred; provided, however, that the Company shall not be liable to any such Indemnified Person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon (i) an untrue statement or alleged untrue statement made in, or an omission or alleged omission from, such Registration Statement or Prospectus in reliance upon and in conformity with written information furnished to the Company by such Indemnified Person expressly for use therein or (ii) in the case of the occurrence of an event of the type specified in Section 6.2(b)(v), the use by the Indemnified Person of an outdated or defective Prospectus after the Company has provided to such Indemnified Person an updated Prospectus correcting the untrue statement or alleged untrue statement or omission or alleged omission giving rise to such loss, claim, damage or liability.

(ii) Indemnification by the Purchasers and Underwriters. Each Purchaser agrees, as a consequence of the inclusion of any of its Registrable Securities in a Registration Statement, and each underwriter, if any, which facilitates the disposition of Registrable Securities shall agree, severally and not jointly, as a consequence of facilitating such disposition of Registrable Securities to (A) indemnify and hold harmless the Company, its directors (including any person who, with his or her consent, is named in the Registration Statement as a director nominee of the Company), its officers who sign any Registration Statement and each Person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the 1934 Act, against any losses, claims, damages or liabilities to which the Company or such other persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such Registration Statement or Prospectus or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in light of the circumstances under which they were made, in the case of the Prospectus), not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Purchaser or underwriter expressly for use therein, and (B) reimburse the Company for any legal or other expenses incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that such Purchaser shall not be liable under this Section 6.2(e)(ii) for any amount in excess of the net proceeds paid to such Purchaser in respect of Registrable Securities sold by it.

(iii) Notice of Claims, etc. Promptly after receipt by a Person seeking indemnification pursuant to this Section 6.2(e) (an “**Indemnified Party**”) of written notice of any investigation, claim, proceeding or other action in respect of which indemnification is being sought (each, a “**Claim**”), the Indemnified Party promptly shall notify the Person against whom indemnification pursuant to this Section 6.2(e) is being sought (the “**Indemnifying Party**”) of the commencement thereof; but the omission to so notify the Indemnifying Party shall not relieve it from any liability that it otherwise may have to the Indemnified Party, except to the extent that the Indemnifying Party is materially prejudiced and forfeits substantive rights and defenses by reason of such failure. In connection with any Claim as to which both the Indemnifying Party and the Indemnified Party are parties, the Indemnifying Party shall be entitled to assume the defense thereof. Notwithstanding the assumption of the defense of any Claim by the Indemnifying Party, the Indemnified Party shall have the right to employ separate legal counsel and to participate in the defense of such Claim, and the Indemnifying Party shall bear the reasonable fees, out of pocket costs and expenses of such separate legal counsel to the Indemnified Party if (and only if): (A) the Indemnifying Party shall have agreed to pay such fees, costs and expenses, (B) the Indemnified Party shall reasonably have concluded that representation of the Indemnified Party by the Indemnifying Party by the same legal counsel would not be appropriate due to actual or, as reasonably determined by legal counsel to the Indemnified Party, potentially differing interests between such parties in the conduct of the defense of such Claim, or if there may be legal defenses available to the Indemnified Party that are in addition to or disparate from those available to the Indemnifying Party, or (C) the Indemnifying Party shall have failed to employ legal counsel reasonably satisfactory to the Indemnified Party within a reasonable period of time after notice of the commencement of such Claim. If the Indemnified Party employs separate legal counsel in circumstances other than as described in the preceding sentence, the fees, costs and expenses of such legal counsel shall be borne exclusively by the Indemnified Party. Except as provided above, the Indemnifying Party shall not, in connection with any Claim in the same jurisdiction, be liable for the fees and expenses of more than one firm of counsel for the Indemnified Party (together with appropriate local counsel). The Indemnified Party shall not, without the prior written consent of the Indemnifying Party (which consent shall not unreasonably be withheld), settle or compromise any Claim or consent to the entry of any judgment that does not include an unconditional release of the Indemnifying Party from all liabilities with respect to such Claim or judgment or contain any admission of wrongdoing.

(iv) Contribution. If the indemnification provided for in this Section 6.2(e) is unavailable to or insufficient to hold harmless an Indemnified Party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and the Indemnified Party in connection with the statements or omissions or alleged statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Indemnifying Party or by such Indemnified Party, and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 6.2(e)(iv) were determined by pro rata allocation (even if the Purchasers or any underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6.2(e)(iv). The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages

or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(v) Limitation on Purchasers' and Underwriters' Obligations. Notwithstanding any other provision of this Section 6.2(e), in no event shall (A) any Purchaser have any liability under this Section 6.2(e) for any amounts in excess of the dollar amount of the proceeds actually received by such Purchaser from the sale of Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) pursuant to any Registration Statement under which such Registrable Securities are registered under the Securities Act and (B) any underwriter be required to undertake liability to any Person hereunder for any amounts in excess of the aggregate discount, commission or other compensation payable to such underwriter with respect to the Registrable Securities underwritten by it and distributed pursuant to the Registration Statement.

(vi) Other Liabilities. The obligations of the Company under this Section 6.2(e) shall be in addition to any liability which the Company may otherwise have to any Indemnified Person and the obligations of any Indemnified Person under this Section 6.2(e) shall be in addition to any liability which such Indemnified Person may otherwise have to the Company. The remedies provided in this Section 6.2(e) are not exclusive and shall not limit any rights or remedies which may otherwise be available to an indemnified party at law or in equity.

(f) Rule 144. With a view to making available to the Purchasers the benefits of Rule 144, the Company agrees to use its best efforts to:

(i) comply with the provisions of paragraph (c)(1) of Rule 144; and

(i) file with the SEC in a timely manner all reports and other documents required to be filed by the Company pursuant to Section 13 or 15(d) under the 1934 Act; and, if at any time it is not required to file such reports but in the past had been required to or did file such reports, it will, upon the request of any Purchasers, make available other information as required by, and so long as necessary to permit sales of, its Registrable Securities pursuant to Rule 144.

(g) Termination of Registration Rights. The registration rights granted in this Section 6.2 shall terminate with respect to a Registrable Security upon the date such security is first eligible to be resold pursuant to Rule 144 of the Securities Act.

4.3 Partial Dividend Payments. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of dividends then accrued and accumulated with respect to the Series A Preferred Stock, such payment shall be distributed pro rata among the holders thereof based upon the aggregate accrued and accumulated but unpaid dividends on the Shares held by each such holder.

5. Liquidation.

5.1 Liquidation; Deemed Liquidation

(a) Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation (collectively with a Deemed Liquidation, a “**Liquidation**”), the holders of Shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders, before any payment shall be made to the holders of Junior Securities by reason of their ownership thereof, an amount in cash equal to the aggregate Liquidation Value of all Shares held by such holder, plus all unpaid accrued and accumulated dividends on all such Shares (whether or not declared).

(b) Deemed Liquidation. The occurrence of a Change of Control (a “**Deemed Liquidation**”) shall be deemed a Liquidation for purposes of this **Section 5**, unless the holders of the outstanding Shares of Series A Preferred Stock (voting as a separate class by majority vote with each Share of Series A Preferred stock entitled to one vote) elect to waive said treatment. Upon the consummation of any such Deemed Liquidation, the holders of the Series A Preferred Stock shall, in consideration for cancellation of their Shares, be entitled to the same rights such holders are entitled to under this **Section 5** upon the occurrence of a Liquidation, including the right to receive the full preferential payment from the Corporation of the amounts payable with respect to the Series A Preferred Stock under **Section 5.1(a)** hereof. Notwithstanding the foregoing, nothing in this **Section 5.1(b)** shall limit in any respect the right of any holder of Series A Preferred Stock to elect the benefits of either this **Section 5** or **Section 7.6(f)** in connection with any Change of Control.

(c) Deemed Liquidation Procedures. In furtherance of the foregoing, the Corporation shall take such actions as are necessary to give effect to the provisions of **Section 5.1(b)**, including, without limitation, (i) in the case of a Change of Control structured as a merger, consolidation or similar reorganization, causing the definitive agreement relating to such transaction to provide for a rate at which the Shares of Series A Preferred Stock are converted into or exchanged for cash, new securities or other

property, or (ii) in the case of a Change of Control structured as an asset sale, as promptly as practicable following such transaction, either dissolving the Corporation and distributing the assets of the Corporation in accordance with applicable law or redeeming all outstanding Shares of Series A Preferred Stock and, in the case of both (i) and (ii), giving effect to the preferences and priorities set forth in **Section 3** and **Section 5**. The Corporation shall promptly provide to the holders of Shares of Series A Preferred Stock such information concerning the terms of such Change of Control, and the value of the assets of the Corporation as may reasonably be requested by the holders of Series A Preferred Stock. The amount deemed distributed to the holders of Series A Preferred Stock upon any such Change of Control in consideration for the Shares held by such holders shall be the cash or Fair Market Value of the securities or other property distributed to such holders in such Change of Control transaction.

5.2 Participation With Junior Securities on Liquidation. In addition to and after payment in full of all preferential amounts required to be paid to the holders of Series A Preferred Stock upon a Liquidation under this **Section 5** (including upon a Deemed Liquidation under **Section 5.1(b)**), the holders of Shares of Series A Preferred Stock then outstanding shall be entitled to participate with the holders of shares of Junior Securities then outstanding, pro rata as a single class based on the number of outstanding shares of Junior Securities on an as-converted basis held by each holder as of immediately prior to the Liquidation, in the distribution of all the remaining assets and funds of the Corporation available for distribution to its stockholders.

5.3 Insufficient Assets. If upon any Liquidation (or Deemed Liquidation) the remaining assets of the Corporation available for distribution to its stockholders shall be insufficient to pay the holders of the Shares of Series A Preferred Stock the full preferential amount to which they are entitled under **Section 5.1**, (a) the holders of the Shares shall share ratably in any distribution of the remaining assets and funds of the Corporation in proportion to the respective full preferential amounts which would otherwise be payable in respect of the Series A Preferred Stock in the aggregate upon such Liquidation (or Deemed Liquidation) if all amounts payable on or with respect to such Shares were paid in full, and (b) the Corporation shall not make or agree to make any payments to the holders of Junior Securities.

5.4 Notice. Notice Requirement. In the event of any Liquidation (or Deemed Liquidation), the Corporation shall, within ten (10) days of the date the Board approves such action, or no later than twenty (20) days of any stockholders' meeting called to approve such action, or within twenty (20) days of the commencement of any involuntary proceeding, whichever is earlier, give each holder of Shares of Series A Preferred Stock written notice of the proposed action. Such written notice shall describe the material terms and conditions of such proposed action, including a description of the stock, cash and property to be received by the holders of Shares upon consummation of the proposed action and the date of delivery thereof. If any material change in the facts set forth in the initial notice shall occur, the Corporation shall promptly give written notice to each holder of Shares of such material change.

Each holder of outstanding Shares of Series A Preferred Stock shall be entitled to vote with holders of outstanding shares of Common Stock, voting together as a single class, with respect to any and all matters presented to the stockholders of the Corporation for their action or consideration (whether at a meeting of stockholders of the Corporation, by written action of stockholders in lieu of a meeting or otherwise), except as provided by law or by the provisions of **Section 6.3** below. In any such vote, each Share of Series A Preferred Stock shall be entitled to a number of votes equal to the number of shares of Common Stock into which the Share is convertible pursuant to **Section 7** herein as of the record date for such vote or written consent or, if there is no specified record date, as of the date of such vote or written consent. Each holder of outstanding Shares of Series A Preferred Stock shall be entitled to notice of all stockholder meetings (or requests for written consent) in accordance with the Corporation's bylaws.

6.2 Election of Directors. In the election of directors to the Corporation, for so long as the holders of Shares of Series A Preferred Stock (collectively with holders that have converted Shares of Series A Preferred Stock to Common Stock) own in the aggregate at least 10% of the outstanding shares of Common Stock on a fully diluted, as-converted basis (as adjusted for any stock splits, stock dividends, recapitalizations or similar transaction), the holders of outstanding Shares of Series A Preferred Stock, voting as a separate class, shall be entitled to elect by majority vote (with each Share of Series A Preferred Stock entitled to one vote) 2 individuals to the Board (each such individual, a "**Series A Director**"). A Series A Director may be removed at any time as a director on the Board (with or without cause) upon, and only upon, the written request of the holders of the outstanding Shares of Series A Preferred Stock (voting as a separate class by majority vote with each Share of Series A Preferred Stock entitled to one vote). In the event that a vacancy is created on the Board at any time due to the death, disability, retirement, resignation or removal of a Series A Director, then the holders of the outstanding Shares of Series A Preferred Stock (voting as a separate class by majority vote with each Share of Series A Preferred stock entitled to one vote) shall have the right to designate an individual to fill such vacancy. In the event that the holders of Shares of Series A Preferred stock shall fail to designate in writing a representative to fill the vacant Series A Director seat on the Board, and such Board seat shall remain vacant until such time as the holders of Shares of Series A Preferred stock elect an individual to fill such seat in accordance with this **Section 6.2**, and during any period where such seat remains vacant, the Board nonetheless shall be deemed duly constituted.

6.3 Other Special Voting Rights. Without the prior written consent of holders of the outstanding Shares of Series A Preferred Stock (voting as a separate class by majority vote with each Shares of Series A Preferred Stock entitled to one vote), in person or by proxy, either in writing without a meeting or at an annual or a special meeting of such holders, and any other applicable stockholder approval requirements required by law, the Corporation shall not take, and shall cause its Subsidiaries not to take or consummate, any of the actions or transactions described in this **Section 6.3** (any such action or transaction without such prior written consent being null and void *ab initio* and of no force or effect) as follows:

(a) create, or authorize the creation of, any additional class or series of capital stock of the Corporation (or any security convertible into or exercisable for any class or series of capital stock of the Corporation), including any class or series of capital stock of the Corporation that ranks superior to or in parity with the Series A Preferred Stock in rights, preferences or privileges (including with respect to dividends, liquidation, redemption or voting);

(b) other than as contemplated by this Certificate of Designation, amend, alter, modify or repeal the Articles of Incorporation, this Certificate of Designation or the by-laws of the Corporation, including the amendment of the Articles of Incorporation by the adoption or amendment of any Certificate of Designation or similar document, or amend the organizational documents of any Subsidiary, in each case in a manner that materially adversely affects the rights of the holders of the Series A Preferred Stock;

(c) issue, or cause any Subsidiary of the Corporation to issue, any indebtedness or debt security in an amount greater than \$200,000 except with the prior consent of the Board, other than trade accounts payable and/or letters of credit, performance bonds or other similar credit support incurred in the ordinary course of business, or amend, renew, increase or otherwise alter in any material respect the terms of any indebtedness previously approved or required to be approved by the holders of the Series A Preferred Stock, other than the incurrence of debt solely to fund the payment of dividends on the Series A Preferred Stock that are accrued and unpaid;

(d) increase the authorized number of directors constituting the Board, except as set forth herein;

(e) redeem, purchase or otherwise acquire or pay or declare any dividend or other distribution on (or pay into or set aside for a sinking fund for any such purpose) any capital stock of the Corporation; *provided*, that this restriction shall not apply to (i) the redemption or repurchase of or the payment of dividends on Shares of Series A Preferred Stock pursuant hereto, (ii) the declaration or payment of any dividend or distribution payable on the Common Stock in shares of Common Stock, (iii) the repurchase of Junior Securities held by employees or consultants of the Corporation upon termination of their employment or services pursuant to agreements providing for such repurchase, or (iv) the repurchase of up to 1,000,000 shares of Common Stock in open market transactions as approved by the Board;

(f) declare bankruptcy, dissolve, liquidate or wind up the affairs of the Corporation or any Subsidiary of the Corporation;

(g) acquire, or cause a Subsidiary of the Corporation to acquire, in any transaction or series of related transactions, the stock or any material assets of another Person, for aggregate consideration (including the direct or indirect assumption of liabilities), except any such transaction in which the holders of Common Stock immediately prior to such transaction continue to hold at least a majority of the capital stock of the surviving entity immediately after such transaction; or

(h) sell, transfer, license, lease or otherwise dispose of, in any transaction or series of related transactions, all or substantially all of the assets of the Corporation;

(i) enter into, or become subject to, any agreement or instrument or other obligation which by its terms restricts the Corporation's ability to perform its obligations under this Certificate of Designation, including the ability of the Corporation to pay dividends or make any redemption or other liquidation payment required hereunder;

(j) enter into any transaction with any director or executive officer of the Corporation, except for employment contracts approved by the Board and transactions entered into on terms that are arms-length and no less favorable to the Corporation than would be obtained from unrelated third parties;

(k) make any single capital expenditure of more than \$100,000 or aggregate capital expenditures of more than \$500,000 in any 12 month period;

(l) agree or commit to do any of the foregoing.

7. Conversion.

7.1 Right to Convert. Subject to the provisions of this **Section 7**, at any time and from time to time on or after the Date of Issuance, any holder of Series A Preferred Stock shall have the right by written election to the Corporation to convert all or any portion of the outstanding Shares of Series A Preferred Stock held by such holder along with the aggregate accrued or accumulated and unpaid dividends thereon into an aggregate number of shares of Common Stock as is determined by (i) multiplying the number of Shares to be converted by the Liquidation Value thereof, (ii) adding to the result all accrued and accumulated and unpaid dividends on such Shares to be converted, and then (ii) dividing the result by the Conversion Price in effect immediately prior to such conversion. The initial conversion price of \$0.20 (the "**Conversion Price**"), subject to adjustment as applicable in accordance with **Section 7.6** below.

7.2 Procedures for Conversion; Effect of Conversion

(a) Procedures for Holder Conversion. In order to effectuate a conversion of Shares of Series A Preferred Stock pursuant to **Section 7.1**, a holder shall (a) submit a written election to the Corporation that such holder elects to convert Shares, the number of Shares elected to be converted and (b) surrender, along with such written election, to the Corporation the certificate or certificates representing the Shares being converted, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto) or, in the event the certificate or certificates are lost, stolen or missing, accompanied by an affidavit of loss executed by the holder. The conversion of such Shares hereunder shall be deemed effective as of the date of surrender of such Series A Preferred Stock certificate or certificates or delivery of such affidavit of loss. Upon the receipt by the Corporation of a written election and the surrender of such certificate(s) and accompanying materials, the Corporation shall as promptly as practicable (but in any event within ten (10) days thereafter) deliver to the relevant holder (a) a certificate in such holder's name (or the name of such holder's designee as stated in the written election) for the number of shares of Common Stock to which such holder

shall be entitled upon conversion of the applicable Shares as calculated pursuant to **Section 7.1** and, if applicable (b) a certificate in such holder's (or the name of such holder's designee as stated in the written election) for the number of Shares of Series A Preferred Stock represented by the certificate or certificates delivered to the Corporation for conversion but otherwise not elected to be converted pursuant to the written election. All shares of capital stock issued hereunder by the Corporation shall be duly and validly issued, fully paid and nonassessable, free and clear of all taxes, liens, charges and encumbrances with respect to the issuance thereof.

(b) Effect of Conversion. All Shares of Series A Preferred Stock converted as provided in this **Section 7.1** shall no longer be deemed outstanding as of the effective time of the applicable conversion and all rights with respect to such Shares shall immediately cease and terminate as of such time, other than the right of the holder to receive shares of Common Stock in exchange therefor.

The Corporation shall take all such actions as may be necessary to assure that all such shares of Common Stock may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which shares of Common Stock may be listed (except for official notice of issuance which shall be immediately delivered by the Corporation upon each such issuance). The Corporation shall not close its books against the transfer of any of its capital stock in any manner which would prevent the timely conversion of the Shares of Series A Preferred Stock.

7.4 No Charge or Payment. The issuance of certificates for shares of Common Stock upon conversion of Shares of Series A Preferred Stock pursuant to **Section 7.1** shall be made without payment of additional consideration by, or other charge, cost or tax to, the holder in respect thereof.

7.5 [RESERVED]

7.6 Adjustment to Conversion Price and Number of Conversion Shares. In order to prevent dilution of the conversion rights granted under this **Section 7**, unless the holders of the outstanding Shares of Series A Preferred Stock (voting as a separate class by majority vote with each Share of Series A Preferred Stock entitled to one vote) elect to waive said right, the Conversion Price and the number of Conversion Shares issuable on conversion of the Shares of Series A Preferred Stock shall be subject to adjustment from time to time as provided in this **Section 7.6**, provided, however, notwithstanding anything in this **Section 7.6** to the contrary, there shall be no adjustment to the Conversion Price or the number of Conversion Shares issuable upon conversion of the Series A Preferred Stock if said adjustment would result in the Series A Preferred Stock being reclassified as debt versus equity in the Corporation's financial statements.

(a) Adjustment to Conversion Price upon Issuance of Common Stock. Except as provided in **Section 7.6(c)** and except in the case of an event described in either **Section 7.6(e)** or **Section 7.6(f)**, if the Corporation shall, at any time or from time to time after the Date of Issuance, issue or sell, or in accordance with **Section 7.6(d)** is deemed to have issued or sold, any shares of Common Stock without consideration or for consideration per share less than both the Conversion Price and the Market Price, in each case in effect immediately prior to such issuance or sale (or deemed issuance or sale), then immediately upon such issuance or sale (or deemed issuance or sale), the Conversion Price in effect immediately prior to such issuance or sale (or deemed issuance or sale) shall be reduced (and in no event increased) to a Conversion Price equal to the quotient obtained by dividing:

- (i) the sum of (A) the product obtained by multiplying the Common Stock Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale) by the Conversion Price then in effect plus (B) the aggregate consideration, if any, received by the Corporation upon such issuance or sale (or deemed issuance or sale); by
- (ii) the sum of (A) the Common Stock Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale) plus (B) the aggregate number of shares of Common Stock issued or sold (or deemed issued or sold) by the Corporation in such issuance or sale (or deemed issuance or sale).

Whenever following the Date of Issuance, the Corporation shall issue or sell, or in accordance with **Section 7.6(d)** is deemed to have issued or sold, any shares of Common Stock, the Corporation shall prepare a certificate signed by an executive officer setting forth, in reasonable detail, the number of shares issued or sold, or deemed issued or sold, the amount and the form of the consideration received by the Corporation and the method of computation of such amount and shall cause copies of such certificate to be mailed to the holders of record of Series A Preferred Stock at the address specified for such holder in the books and records of the Corporation (or at such other address as may be provided to the Corporation in writing by such holder).

(b) Adjustment to Number of Conversion Shares Upon Adjustment to Conversion Price. Upon any and each adjustment of the Conversion Price as provided in **Section 7.6(a)**, the number of Conversion Shares issuable upon the conversion of the Series A Preferred Stock immediately prior to any such adjustment shall be increased to a number of Conversion Shares equal to the quotient obtained by dividing:

- (i) the product of (A) the Conversion Price in effect immediately prior to any such adjustment multiplied by (B) the number of Conversion Shares issuable upon conversion of the Series A Preferred Stock immediately prior to any such adjustment; by
- (ii) the Conversion Price resulting from such adjustment.

(c) Exceptions To Adjustment Upon Issuance of Common Stock. Anything in this **Section 7** to the contrary notwithstanding, there shall be no adjustment to the Conversion Price or the number of Conversion Shares issuable upon conversion of the Series A Preferred Stock with respect to any Excluded Issuance; and (ii) any such adjustment that would result in the Series A Preferred Stock being reclassified as debt versus equity in the Corporation's financial statements.

(d) Effect of Certain Events on Adjustment to Conversion Price. For purposes of determining the adjusted Conversion Price under **Section 7.6(a)** hereof, the following shall be applicable:

- (i) Issuance of Options. If the Corporation shall, at any time or from time to time after the Date of Issuance, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Options, whether or not such Options or the right to convert or exchange any Convertible Securities issuable upon the exercise of such Options are immediately exercisable, and the price per share (determined as provided in this paragraph and in **Section 7.6(d)(v)**) for which Common Stock is issuable upon the exercise of such Options or upon the conversion or exchange of Convertible Securities issuable upon the exercise of such Options is less than both the Conversion Price and the Market Price, in each case in effect immediately prior to the time of the granting or sale of such Options, then the total maximum number of shares of Common Stock issuable upon the exercise of such Options or upon conversion or exchange of the total maximum amount of Convertible Securities issuable upon the exercise of such Options shall be deemed to have been issued as of the date of granting or sale of such Options (and thereafter shall be deemed to be outstanding for purposes of adjusting the Conversion Price under **Section 7.6(a)**), at a price per share equal to the quotient obtained by dividing (A) the sum (which sum shall constitute the applicable consideration received for purposes of **Section 7.6(a)**) of (x) the total amount, if any, received or receivable by the Corporation as consideration for the granting or sale of all such Options, plus (y) the minimum aggregate amount of additional consideration payable to the Corporation upon the exercise of all such Options, plus (z), in the case of such Options which relate to Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the issuance or sale of all such Convertible Securities and the conversion or exchange of all such Convertible Securities, by (B) the total maximum number of shares of Common Stock issuable upon the exercise of all such Options or upon the conversion or exchange of all Convertible Securities issuable upon the exercise of all such Options. Except as otherwise provided in **Section 7.6(d)(iii)**, no further adjustment of the Conversion Price shall be made upon the actual issuance of Common Stock or of Convertible Securities upon exercise of such Options or upon the actual issuance of Common Stock upon conversion or exchange of Convertible Securities issuable upon exercise of such Options.

-
- (ii) Issuance of Convertible Securities. If the Corporation shall, at any time or from time to time after the Date of Issuance, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Convertible Securities, whether or not the right to convert or exchange any such Convertible Securities is immediately exercisable, and the price per share (determined as provided in this paragraph and in **Section 7.6(d)(v)**) for which Common Stock is issuable upon the conversion or exchange of such Convertible Securities is less than both the Conversion Price and the Market Price, in each case in effect immediately prior to the time of the granting or sale of such Convertible Securities, then the total maximum number of shares of Common Stock issuable upon conversion or exchange of the total maximum amount of such Convertible Securities shall be deemed to have been issued as of the date of granting or sale of such Convertible Securities (and thereafter shall be deemed to be outstanding for purposes of adjusting the Conversion Price pursuant to **Section 7.6(a)**), at a price per share equal to the quotient obtained by dividing (A) the sum (which sum shall constitute the applicable consideration received for purposes of **Section 7.6(a)**) of (x) the total amount, if any, received or receivable by the Corporation as consideration for the granting or sale of such Convertible Securities, plus (y) the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the conversion or exchange of all such Convertible Securities, by (B) the total maximum number of shares of Common Stock issuable upon the conversion or exchange of all such Convertible Securities. Except as otherwise provided in **Section 7.6(d)(iii)**, (A) no further adjustment of the Conversion Price shall be made upon the actual issuance of Common Stock upon conversion or exchange of such Convertible Securities and (B) no further adjustment of the Conversion Price shall be made by reason of the issue or sale of Convertible Securities upon exercise of any Options to purchase any such Convertible Securities for which adjustments of the Conversion Price have been made pursuant to the other provisions of this **Section 7.6(d)**.
- (iii) Change in Terms of Options or Convertible Securities. Upon any change in any of (A) the total amount received or receivable by the Corporation as consideration for the granting or sale of any Options or Convertible Securities referred to in **Section 7.6(d)(i)** or **Section 7.6(d)(ii)** hereof, (B) the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the exercise of any Options or upon the issuance, conversion or exchange of any Convertible Securities referred to in **Section 7.6(d)(i)** or **Section 7.6(d)(ii)** hereof, (C) the rate at which Convertible Securities referred to in **Section 7.6(d)(i)** or **Section 7.6(d)(ii)** hereof are convertible into

or exchangeable for Common Stock, or (D) the maximum number of shares of Common Stock issuable in connection with any Options referred to in **Section 7.6(d)(i)** hereof or any Convertible Securities referred to in **Section 7.6(d)(ii)** hereof (in each case, other than in connection with an Excluded Issuance), then (whether or not the original issuance or sale of such Options or Convertible Securities resulted in an adjustment to the Conversion Price pursuant to this **Section 7.6**) the Conversion Price in effect at the time of such change shall be adjusted or readjusted, as applicable, to the Conversion Price which would have been in effect at such time pursuant to the provisions of this **Section 7.6** had such Options or Convertible Securities still outstanding provided for such changed consideration, conversion rate or maximum number of shares, as the case may be, at the time initially granted, issued or sold, but only if as a result of such adjustment or readjustment the Conversion Price then in effect is reduced, and the number of Conversion Shares issuable upon the conversion of the Series A Preferred Stock immediately prior to any such adjustment or readjustment shall be correspondingly adjusted or readjusted pursuant to the provisions of **Section 7.6(b)**.

- (iv) Treatment of Expired or Terminated Options or Convertible Securities. Upon the expiration or termination of any unexercised Option (or portion thereof) or any unconverted or unexchanged Convertible Security (or portion thereof) for which any adjustment (either upon its original issuance or upon a revision of its terms) was made pursuant to this **Section 7.6** (including without limitation upon the redemption or purchase for consideration of all or any portion of such Option or Convertible Security by the Corporation), the Conversion Price then in effect hereunder shall forthwith be changed pursuant to the provisions of this **Section 7.6** to the Conversion Price which would have been in effect at the time of such expiration or termination had such unexercised Option (or portion thereof) or unconverted or unexchanged Convertible Security (or portion thereof), to the extent outstanding immediately prior to such expiration or termination, never been issued.
- (v) Calculation of Consideration Received. If the Corporation shall, at any time or from time to time after the Date of Issuance, issue or sell, or is deemed to have issued or sold in accordance with **Section 7.6(d)**, any shares of Common Stock, Options or Convertible Securities: (A) for cash, the consideration received therefor shall be deemed to be the net amount received by the Corporation therefor; (B) for consideration other than cash, the amount of the consideration other than cash received by the Corporation shall be the fair value of such consideration, except where such consideration consists of marketable securities, in which case the amount of consideration received by the Corporation shall be the market price (as reflected on any securities

exchange, quotation system or association or similar pricing system covering such security) for such securities as of the end of business on the date of receipt of such securities; (C) for no specifically allocated consideration in connection with an issuance or sale of other securities of the Corporation, together comprising one integrated transaction, the amount of the consideration therefor shall be deemed to be the fair value of such portion of the aggregate consideration received by the Corporation in such transaction as is attributable to such shares of Common Stock, Options or Convertible Securities, as the case may be, issued in such transaction; or (D) to the owners of the non-surviving entity in connection with any merger in which the Corporation is the surviving corporation, the amount of consideration therefor shall be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities, as the case may be, issued to such owners. The net amount of any cash consideration and the fair value of any consideration other than cash or marketable securities shall be determined in good faith jointly by the Board.

- (vi) **Record Date.** For purposes of any adjustment to the Conversion Price or the number of Conversion Shares in accordance with this **Section 7.6**, in case the Corporation shall take a record of the holders of its Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock, Options or Convertible Securities or (B) to subscribe for or purchase Common Stock, Options or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.
- (vii) **Treasury Shares.** The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Corporation or any of its wholly-owned subsidiaries, and the disposition of any such shares (other than the cancellation or retirement thereof or the transfer of such shares among the Corporation and its wholly-owned subsidiaries) shall be considered an issue or sale of Common Stock for the purpose of this **Section 7.6**.

(e) **Adjustment to Conversion Price and Conversion Shares Upon Dividend, Subdivision or Combination of Common Stock.** If the Corporation shall, at any time or from time to time after the Date of Issuance, (i) pay a dividend or make any other distribution upon the Common Stock or any other capital stock of the Corporation payable in shares of Common Stock or in Options or Convertible Securities, or (ii) subdivide (by any stock split, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to any such dividend, distribution or subdivision shall be

proportionately reduced and the number of Conversion Shares issuable upon conversion of the Series A Preferred Stock shall be proportionately increased. If the Corporation at any time combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination shall be proportionately increased and the number of Conversion Shares issuable upon conversion of the Series A Preferred Stock shall be proportionately decreased. Any adjustment under this **Section 7.6(e)** shall become effective at the close of business on the date the dividend, subdivision or combination becomes effective.

(f) Adjustment to Conversion Price and Conversion Shares Upon Reorganization, Reclassification, Consolidation or Merger. In the event of any (i) capital reorganization of the Corporation, (ii) reclassification of the stock of the Corporation (other than a change in par value or from par value to no par value or from no par value to par value or as a result of a stock dividend or subdivision, split-up or combination of shares), (iii) consolidation or merger of the Corporation with or into another Person, (iv) sale of all or substantially all of the Corporation's assets to another Person or (v) other similar transaction (other than any such transaction covered by **Section 7.6(e)**), in each case which entitles the holders of Common Stock to receive (either directly or upon subsequent liquidation) stock, securities or assets with respect to or in exchange for Common Stock, each Share of Series A Preferred Stock shall, immediately after such reorganization, reclassification, consolidation, merger, sale or similar transaction, remain outstanding and shall thereafter, in lieu of or in addition to (as the case may be) the number of Conversion Shares then convertible for such Share, be exercisable for the kind and number of shares of stock or other securities or assets of the Corporation or of the successor Person resulting from such transaction to which such Share would have been entitled upon such reorganization, reclassification, consolidation, merger, sale or similar transaction if the Share had been converted in full immediately prior to the time of such reorganization, reclassification, consolidation, merger, sale or similar transaction and acquired the applicable number of Conversion Shares then issuable hereunder as a result of such conversion (without taking into account any limitations or restrictions on the convertibility of such Share, if any); and, in such case, appropriate adjustment shall be made with respect to such holder's rights under this Certificate of Designation to insure that the provisions of this **Section 7** hereof shall thereafter be applicable, as nearly as possible, to the Series A Preferred Stock in relation to any shares of stock, securities or assets thereafter acquirable upon conversion of Series A Preferred Stock (including, in the case of any consolidation, merger, sale or similar transaction in which the successor or purchasing Person is other than the Corporation, an immediate adjustment in the Conversion Price to the value per share for the Common Stock reflected by the terms of such consolidation, merger, sale or similar transaction, and a corresponding immediate adjustment to the number of Conversion Shares acquirable upon conversion of the Series A Preferred Stock without regard to any limitations or restrictions on conversion, if the value so reflected is less than the Conversion Price in effect immediately prior to such consolidation, merger, sale or similar transaction). The provisions of this **Section 7.6(f)** shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales or similar transactions. The Corporation shall not effect any such reorganization, reclassification, consolidation, merger, sale or similar transaction unless,

prior to the consummation thereof, the successor Person (if other than the Corporation) resulting from such reorganization, reclassification, consolidation, merger, sale or similar transaction, shall assume, by written instrument substantially similar in form and substance to this Certificate of Designation, the obligation to deliver to the holders of Series A Preferred Stock such shares of stock, securities or assets which, in accordance with the foregoing provisions, such holders shall be entitled to receive upon conversion of the Series A Preferred Stock. Notwithstanding anything to the contrary contained herein, with respect to any corporate event or other transaction contemplated by the provisions of this **Section 7.6(f)**, each holder of Shares of Series A Preferred Stock shall have the right to elect prior to the consummation of such event or transaction, to give effect to the provisions of **Section 5.1(b)** (if applicable to such event or transaction) or **Section 7** hereunder, instead of giving effect to the provisions contained in this **Section 7.6(f)** with respect to such holder's Series A Preferred Stock.

(g) Certain Events. If any event of the type contemplated by the provisions of this **Section 7.6** but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment in the Conversion Price and the number of Conversion Shares issuable upon conversion of Shares of Series A Preferred Stock so as to protect the rights of the holder of such Shares in a manner consistent with the provisions of this **Section 7**; *provided*, that no such adjustment pursuant to this **Section 7.6** shall increase the Conversion Price or decrease the number of Conversion Shares issuable as otherwise determined pursuant to this **Section 7**.

(h) Certificate as to Adjustment.

- (i) As promptly as reasonably practicable following any adjustment of the Conversion Price, but in any event not later than 20 days thereafter, the Corporation shall furnish to each holder of record of Series A Preferred Stock at the address specified for such holder in the books and records of the Corporation (or at such other address as may be provided to the Corporation in writing by such holder) a certificate of an executive officer setting forth in reasonable detail such adjustment and the facts upon which it is based and certifying the calculation thereof.
- (ii) As promptly as reasonably practicable following the receipt by the Corporation of a written request by any holder of Series A Preferred Stock, but in any event not later than 20 days thereafter, the Corporation shall furnish to such holder a certificate of an executive officer certifying the Conversion Price then in effect and the number of Conversion Shares or the amount, if any, of other shares of stock, securities or assets then issuable to such holder upon conversion of the Shares of Series A Preferred Stock held by such holder.

(i) Notices. In the event:

- (i) that the Corporation shall take a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon conversion of the Series A Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, to vote at a meeting (or by written consent), to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or
- (ii) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, any consolidation or merger of the Corporation with or into another Person, or sale of all or substantially all of the Corporation's assets to another Person; or
- (iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation;

then, and in each such case, the Corporation shall send or cause to be sent to each holder of record of Series A Preferred Stock at the address specified for such holder in the books and records of the Corporation (or at such other address as may be provided to the Corporation in writing by such holder) at least 5 days prior to the applicable record date or the applicable expected effective date, as the case may be, for the event, a written notice specifying, as the case may be, (A) the record date for such dividend, distribution, meeting or consent or other right or action, and a description of such dividend, distribution or other right or action to be taken at such meeting or by written consent, or (B) the effective date on which such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up is proposed to take place, and the date, if any is to be fixed, as of which the books of the Corporation shall close or a record shall be taken with respect to which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon conversion of the Series A Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Series A Preferred Stock and the Conversion Shares.

(j) Exceptions. Notwithstanding any provision of this **Section 7** to the contrary, issuances of Options by the Corporation under the Corporation's equity compensation plan(s), and repurchases of up to 1,000,000 shares of the Common Stock by the Corporation in open market purchases as approved by the Board, shall in no event result in an adjustment to the Conversion Price or number of Conversion Shares hereunder.

8. Reissuance of Series A Preferred Stock. Any Shares of Series A Preferred Stock redeemed, converted or otherwise acquired by the Corporation or any Subsidiary shall be cancelled and retired as authorized and issued shares of capital stock of the Corporation and no such Shares shall thereafter be reissued, sold or transferred.

9. Notices. Except as otherwise provided herein, all notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given: (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by facsimile or e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent (a) to the Corporation, at its principal executive offices and (b) to any stockholder, at such holder's address as it appears in the stock records of the Corporation (or at such other address for a stockholder as shall be specified in a notice given in accordance with this **Section 9**).

10. Amendment and Waiver. No provision of this Certificate of Designation may be amended, modified or waived except by an instrument in writing executed by the Corporation and the holders of a majority of the then outstanding Shares of Series A Preferred Stock, and any such written amendment, modification or waiver will be binding upon the Corporation and each holder of Series A Preferred Stock; *provided*, that no amendment, modification or waiver of the terms or relative priorities of the Series A Preferred Stock may be accomplished by the merger, consolidation or other transaction of the Corporation with another corporation or entity unless the Corporation has obtained the prior written consent of the holders in accordance with this **Section 10**.
