The shares of Common Stock offered under this prospectus includes (i) 42,000,000 shares of Common Stock initially issuable upon conversion of the 840,000 shares of series A convertible preferred stock, no par value per share (the "Series A Preferred"), currently issued and outstanding, which accrue dividends on a daily basis in arrears at the rate of 8% per annum, (ii) 4,000,000 shares of Common Stock issuable upon conversion of the shares of Series A Preferred, to be issued as payment for such accrued dividends on the Series A Preferred, and (iii) 8,721,875 shares of Common Stock issuable upon exercise of warrants issued in August 2014 and April 2015, as described below (the "Warrants").

On April 1, 2015 we consummated a Stock Exchange Agreement (the "SCRIBE Agreement") with Brittany M. Dewan as Trustee of the Derek E. Dewan Irrevocable Living Trust II dated the 27th of July, 2010, Brittany M. Dewan, individually, Allison Dewan, individually, Mary Menze, individually, and Alex Stuckey, individually (collectively, the "Scribe Shareholders"). Pursuant to the terms of the SCRIBE Agreement we acquired 100% of the outstanding common stock of Scribe Solutions Inc., ("Scribe") from the Scribe Shareholders for 640,000 shares of Series A Preferred. Each share of Series A Preferred is initially convertible, at the election of the holder thereof, into 50 shares of our Common Stock. The shares of Series A Preferred issued to the Scribe Shareholders are initially convertible into an aggregate of 32,000,000 shares of Common Stock. In addition, we issued to certain Scribe Shareholders warrants to purchase up to 6,350,000 shares of Common Stock at an exercise price of \$0.20 per share, with a term of 5 years in exchange for Scribe warrants held by those individuals.

On January 8, 2015, we consummated a Securities Purchase Agreement with 18 accredited investors who collectively subscribed to purchase a total of 200,000 shares of Series A Preferred for a total purchase price of \$2,000,000. Each share of Series A Preferred is initially convertible, at the election of the holder thereof, into 50 shares of our Common Stock. The shares of Series A Preferred issued to these investors are initially convertible into an aggregate of 10,000,000 shares of our Common Stock.

On August 7, 2014 we issued an Convertible Note with an original principal balance of \$632,500 to Brio Capital Master Fund LTD ("Brio"), for a purchase price of \$550,000. In connection with the issuance of the Note, we issued to Brio a warrant to purchase up to 2,371,875 shares of our Common Stock. The warrant is exercisable at \$0.25 per share.

The issuance of the shares of Series A Preferred and the Warrants were made in reliance on the exemptions from registration afforded by Section 4(a)(2) of the Securities Act of 1933, (the "Securities Act"), and Rule 506 of Regulation D promulgated thereunder.

We will not receive any proceeds from the sale of the Shares by the Selling Shareholders. To the extent the Warrants are exercised for cash, if at all, we will receive the exercise price for those Warrants.

Our Common Stock is listed on the NYSE MKT under the symbol "JOB." The last reported sale price of our common stock on June 8, 2015 was \$0.97.

OUR COMPANY

General

We were incorporated in the State of Illinois in 1962 and are the successor to employment offices doing business since 1893. In 1987, we established Triad Personnel Services, Inc., a wholly-owned subsidiary, incorporated in the State of Illinois. In June 2010, we purchased certain assets of On-Site Services, a temporary staffing agricultural business, which was discontinued as of July 7, 2013. In December 2010, we purchased certain assets of DMCC Staffing, LLC (“DMCC”) and RFFG of Cleveland, LLC (“RFFG of Cleveland”) an industrial staffing business located in the State of Ohio. In August 2011, we purchased certain assets of Ashley Ellis, LLC (“Ashley Ellis”), a professional staffing and placement business. In April 2015, we acquired 100% of the outstanding stock of Scribe Solutions Inc. Scribe Solutions is in the business of offering physician assistant (medical scribe) services to emergency departments, specialty physician practices and clinics.

Services Provided

We provide the following distinctive services: (a) professional placement services specializing in the placement of information technology, engineering, and accounting professionals for direct hire and contract staffing, and (b) temporary staffing services in light industrial staffing. Our professional staffing services focus on placing information technology, engineering, physician assistant (medical scribe) and accounting professionals with clients on either a regular placement basis or a temporary contract basis. Our industrial staffing business provides weekly temporary staffing for light industrial clients in Ohio and Pennsylvania. As a result of our acquisition of Scribe Solutions we now also offer physician assistant (medical scribe) services to emergency departments, but also to busy specialty physician practices and clinics. Emergency department medical scribes allow ER physicians to spend less time on clerical duties and more time caring for patients, by providing specific emergency department services to aid doctors in documentation and minimize their clerical duties. Physicians in these specialty practices and clinics benefit from scribe services by spending less time on charting and more time on providing quality patient care.

Our staffing services are provided through a network of eighteen branch offices located in downtown or suburban areas of major U.S. cities in nine states. We have one office located in Arizona, Indiana, Massachusetts, North Carolina and Texas, two offices in California, Florida and Illinois and seven offices in Ohio.

Marketing

We market our services using the trade names, General Employment Enterprises, Omni One, Business Management Personnel, Ashley Ellis, Triad Personnel Services, Triad Staffing, Generation Technologies, BMCH, and BMCHPA.

Our marketing to prospective clients is primarily through telephone marketing by our recruiting and sales consultants, and through direct mailing of employment bulletins that list candidates who are currently available for placement and contract employees available for assignment.

Recruiting

The success of our business is highly dependent on our ability to obtain qualified candidates. Prospective employment candidates are generally recruited through telephone contact by our employment consultants or through postings on the Internet. For Internet postings, we maintain our own web page at www.generalemployment.com and use other Internet job posting bulletin board services. We maintains database records of applicants' skills to assist in matching them with job openings and contract assignments. We generally screen and interview all applicants who are presented to our clients.

Competition

The staffing industry is highly competitive. There are relatively few barriers to entry by firms offering placement services, while significant amounts of working capital typically are required for firms offering contract services. Our competitors include a large number of sole-proprietorship operations, as well as regional and national organizations. Many of them are large corporations with substantially greater resources than we have.

Our professional and industrial staffing services compete by providing highly qualified candidates who are well matched for the position, by responding quickly to client requests, and by establishing offices in convenient locations throughout the U.S. As part of our service, we provide professional reference checking, scrutiny of candidates' work experience and optional background checks. In general, pricing is considered to be secondary to quality of service as a competitive factor. During slow hiring periods, however, competition can put pressure on our pricing.

Our agricultural staffing service was considered a niche business that required a high capital reserve to cover the weekly payroll. There were few businesses in this market. We discontinued this business as of July 7, 2013.

Employees

As of May 11, 2015, we had approximately 130 regular employees and the number of contract service employees varied week to week from a minimum of approximately 500 to a maximum of 4,000.

RISK FACTORS

Investing in our securities involves risk. Before making an investment decision, you should carefully consider the risks described under "Risk Factors" in our most recent Annual Report on Form 10-K, or any updates in our Quarterly Reports on Form 10-Q, together with all of the other information appearing in or incorporated by reference into this prospectus, in light of your particular investment objectives and financial circumstances. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the Shares by the Selling Shareholders. However, to the extent that the Warrants are exercised for cash, we will receive proceeds from any exercise of the Warrants up to an aggregate of approximately \$1,872,969. We intend to use any proceeds received from the exercise of the Warrants, for working capital and other general corporate purposes.

SELLING SHAREHOLDERS

We are registering for resale the shares of Common Stock underlying the Series A Preferred, shares of Common Stock issuable as payment for accrued dividends on the Series A Preferred, and Warrants held by the Selling Shareholders identified below. We are registering the Shares to permit the Selling Shareholders and their pledgees, donees, transferees and other successors-in-interest that receive shares from a Selling Shareholder as a gift, partnership distribution or other non-sale related transfer after the date of this prospectus to resell the shares when and as they deem appropriate in the manner described in the “Plan of Distribution”.

The following table sets forth:

- the name of each Selling Shareholder;
- the number of shares of our Common Stock that the Selling Shareholder beneficially owned prior to the offering for resale of the Shares under this prospectus,
- the maximum number of shares of our Common Stock that may be offered for resale for the account of the Selling Shareholders under this prospectus, and
- the number and percentage of shares of our Common Stock to be beneficially owned by the Selling Shareholders after the offering of the Shares (assuming all of the offered shares are sold by the Selling Shareholders).

The Selling Shareholders are registering for resale up to 54,721,875 shares of Common Stock, which includes (i) 42,000,000 shares of Common Stock initially issuable upon conversion of our Series A Preferred, which accrues dividends on a daily basis in arrears at the rate of 8% per annum, (ii) 4,000,000 shares of Common Stock issuable upon conversion of the Series A Preferred, as payment for such accrued dividends on the Series A Preferred, and (iii) 8,721,875 shares of Common Stock issuable upon exercise of Warrants.

On April 1, 2015 we consummated a Stock Exchange Agreement (the “SCRIBE Agreement”) with Brittany M. Dewan as Trustee of the Derek E. Dewan Irrevocable Living Trust II dated the 27th of July, 2010, Brittany M. Dewan, individually, Allison Dewan, individually, Mary Menze, individually, and Alex Stuckey, individually (collectively, the “Scribe Shareholders”). Pursuant to the terms of the SCRIBE Agreement we acquired 100% of the outstanding common stock of Scribe Solutions Inc., (“Scribe”) from the Scribe Shareholders for 640,000 shares of Series A Preferred. Each share of Series A Preferred is initially convertible, at the election of the holder thereof, into 50 shares of our Common Stock. The shares of Series A Preferred issued to the Scribe Shareholders are initially convertible into an aggregate of 32,000,000 shares of Common Stock. In addition, we issued to certain Scribe Shareholders warrants to purchase up to 6,350,000 shares of Common Stock at an exercise price of \$0.20 per share, with a term of 5 years in exchange for Scribe warrants held by those individuals.

On January 8, 2015, we consummated a Securities Purchase Agreement with 18 accredited investors who collectively subscribed to purchase a total of 200,000 shares of Series A Preferred for a total purchase price of \$2,000,000. Each share of Series A Preferred is initially convertible, at the election of the holder thereof, into 50 shares of our Common Stock. The shares of Series A Preferred issued to these investors are initially convertible into an aggregate of 10,000,000 shares of our Common Stock.

On August 7, 2014 we issued a Convertible Note with an original principal balance of \$632,500 to Brio Capital Master Fund LTD (“Brio”), for a purchase price of \$550,000. In connection with the issuance of the Note, we issued to Brio a warrant to purchase up to 2,371,875 shares of our Common Stock. The warrant is exercisable at \$0.25 per share.

The issuance of the shares of Series A Preferred and the Warrants were made in reliance on the exemptions from registration afforded by Section 4(a)(2) of the Securities Act of 1933, (the “Securities Act”), and Rule 506 of Regulation D promulgated thereunder.

Except for Mr. Derek Dewan, Mr. Alex Stuckey, Ms. Allison Dewan and Ms. Menze, none of the Selling Shareholders has been an officer or director of us or any of our predecessors or affiliates within the last three years, nor has any Selling Shareholder had a material relationship with us within the last three years.

None of the Selling Shareholders is a broker-dealer or an affiliate of a broker-dealer, who should be identified as an underwriter.

Each Selling Shareholder may offer for sale all or part of the Shares from time to time. The table below assumes that the Selling Shareholders will sell all of the Shares offered for sale. A Selling Shareholder is under no obligation, however, to sell any shares pursuant to this prospectus.

Except as otherwise set forth in the footnotes, the address for the Selling Shareholders is our branch office located at 13500 Sutton Park Drive South, Suite 204, Jacksonville, Florida 32224 Jacksonville, FL.

PLAN OF DISTRIBUTION

The Selling Shareholders and any of their pledgees, donees, assignees and successors-in-interest may, from time to time, sell any or all of their Shares being offered under this prospectus on any stock exchange, market or trading facility on which shares of our Common Stock are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Shareholders may use any one or more of the following methods when disposing of the Shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resales by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- to cover short sales made after the date that the registration statement of which this prospectus is a part is declared effective by the SEC;
- broker-dealers may agree with the Selling Shareholders to sell a specified number of such shares at a stipulated price per share;
- Firm commitment underwritten transactions;
- a combination of any of these methods of sale; and
- any other method permitted pursuant to applicable law.

The Shares may also be sold under Rule 144 under the Securities Act of 1933, as amended, if available for a Selling Shareholder, rather than under this prospectus. The Selling Shareholders have the sole and absolute discretion not to accept any purchase offer or make any sale of Shares if it deems the purchase price to be unsatisfactory at any particular time.

The Selling Shareholders may pledge their Shares to their respective brokers under the margin provisions of customer agreements. If a Selling Shareholder defaults on a margin loan, the broker may, from time to time, offer and sell the pledged Shares.

Broker-dealers engaged by the Selling Shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, which commissions as to a particular broker or dealer may be in excess of customary commissions to the extent permitted by applicable law.

If sales of Shares offered under this prospectus are made to broker-dealers as principals, we would be required to file a post-effective amendment to the registration statement of which this prospectus is a part. In the post-effective amendment, we would be required to disclose the names of any participating broker-dealers and the compensation arrangements relating to such sales.

The Selling Shareholders and any broker-dealers or agents that are involved in selling the Shares offered under this prospectus may be deemed to be “underwriters” within the meaning of the Securities Act in connection with these sales. Commissions received by these broker-dealers or agents and any profit on the resale of the Shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Any broker-dealers or agents that are deemed to be underwriters may not sell Shares offered under this prospectus unless and until we set forth the names of the underwriters and the material details of their underwriting arrangements in a supplement to this prospectus or, if required, in a replacement prospectus included in a post-effective amendment to the registration statement of which this prospectus is a part.

The Selling Shareholders and any other persons participating in the sale or distribution of the shares offered under this prospectus will be subject to applicable provisions of the Exchange Act, and the rules and regulations under that act, including Regulation M. These provisions may restrict activities of, and limit the timing of purchases and sales of any of the shares by, the Selling Shareholders or any other person. Furthermore, under Regulation M, persons engaged in a distribution of securities are prohibited from simultaneously engaging in market making and other activities with respect to those securities for a specified period of time prior to the commencement of such distributions, subject to specified exceptions or exemptions. All of these limitations may affect the marketability of the shares.

If any of the Shares offered for sale pursuant to this prospectus are transferred other than pursuant to a sale under this prospectus, then subsequent holders could not use this prospectus until a post-effective amendment or prospectus supplement is filed, naming such holders. We offer no assurance as to whether any of the Selling Shareholders will sell all or any portion of the Shares offered under this prospectus.

We have agreed to pay all fees and expenses we incur incident to the registration of the Shares being offered under this prospectus. However, the Selling Shareholders and purchaser are responsible for paying any discounts, commissions and similar selling expenses it incurs.
